An empowerment manifesto for creatives, misfits, innovators, and disruptors from the star of *So You Think You Can Dance* and creator of Broadway's *Finding Neverland* A Unicorn in a World of Donkeys offers a playbook for living a creative and authentic life. Using her own story as a launching spot, and creative quizzes, charts, and lists to engage the reader in an interactive journey, Mia Michaels explores the experience of the unicorn in a world of donkeys, a world where fitting in, pleasing others, following rules, and maintaining norms—no matter how messed up those norms are—is the only acceptable path. She acknowledges the struggles of the unicorn life—loneliness, ridicule, being misunderstood and undervalued—and goes on encourage readers to reframe the unicorn life the way she has, as essential to a life of brilliance.

C C D O, Canadian Classification and Dictionary of Occupations, Annual Guide McGraw Hill Professional Save a fortune on great-performing customized car speakers. If done by an installer, custom speakers can run to thousands of dollars and your satisfaction isn't necessarily guaranteed. The best solution is to build your own. *Car Stereo Speaker Projects Illustrated*, by Dan Ferguson, is the one and only illustrated project book that will take you step-by-step through the design and installation of your own customized car speakers, with minimum tools and equipment. You get 20 complete projects covering both front and rear speakers for sedans, pickups, vans, Jeeps, and SUVs. Many of the designs appear nowhere else—and virtually all have tested in use and found to be significant improvements over conventional wisdom. Each project takes you from the circuit schematic to the construction of the enclosure to installing the system in the vehicle. This hands-on guide is loaded with hundreds of digital photos—plus design spreadsheets, Thiele-Small parameter measurement techniques, and examples of speaker design shareware in the Appendix.
