1000 Trivia and Quiz Questions For Adults & Kids is the latest book on all things trivia following the pandemic of 2020/21. The idea for the book started from the Quarantine Quiz - a weekly quiz

of 20 questions and answers, published in the Murray Pioneer, a valuable regional newspaper covering the Riverland and Murray Mallee regions of South Australia, amongst others. Starting in April 2020, it is still published every week and has developed quite a following in that time. From those weekly quizzes the idea for 1000 Trivia and Quiz Questions For Adults & Kids was born. It has questions that many, young and adult, will be able to answer as it features a variety of topics. Also included in 1000 Trivia and Quiz Questions For Adults & Kids are the Bonus Questions, more challenging but not impossible to answer, which featured at the end of each quiz, and whose answers were given the following week. While some of the questions deal specifically with the Covid-19 pandemic, the overwhelming majority deal with general trivia topics such as sport, history, geography, entertainment, science, food & drink, etc. There is something in this book for everyone. 1000 Trivia and Quiz Questions For Adults & Kids can be used to conduct formal quiz and trivia nights, for use in the classroom, office or other workplaces, and for informal group or family trivia sessions. Whatever its uses, this book can be a challenging and fun addition to any library.

Hamlet, probably composed between 1599 and 1601, takes place in Denmark and tells how Prince Hamlet carries out his revenge on his uncle Claudius who murdered Hamlet's father, the king, and holds the usurped crown as well as nuptials with Gertrude, the mother of Hamlet. The play is vividly traced around insanity (both real and feigned) and the course from deep pain to inordinate anger. It also explores the themes of betrayal, revenge, incest and moral corruption.
