The Sandman Slim Series Books 1-4 Harper Collins

Reminiscent of the edgy, offbeat humor of Chris Moore and Matt Ruff, the first entry in a whimsical, fast-paced supernatural series from the New York Times bestselling author of the Sandman Slim novels—a dark and humorous story involving a doomsday gizmo, a horde of baddies determined to possess its power, and a clever thief who must steal it back . . . again and again. 22000 B.C. A beautiful, ambitious angel stands on a mountaintop, surveying the world and its little inhabitants below. He smiles because soon, the last of humanity who survived the great flood will meet its end, too. And he should know. He’s going to play a big part in it. Our angel usually doesn’t get to do field work, and if he does well, he’s certain he’ll get a big promotion. And now it’s time . . . The angel reaches into his pocket for the instrument of humanity’s doom. Must be in the other pocket. Then he frantically begins to pat himself down. Dejected, he realizes he has lost the object. Looking over the Earth at all that could have been, the majestic angel utters a single word. “Crap.” 2015. A thief named Coop—a specialist in purloining magic objects—steals and delivers a small box to the mysterious client who engaged his services. Coop doesn’t know that his latest job could be the end of him—and the rest of the world. Suddenly he finds himself in the company of The Department of Peculiar Science, a fearsome enforcement agency that polices the odd and strange. The box isn’t just a supernatural heirloom with quaint powers, they tell him. It’s a doomsday device. They think . . . And suddenly, everyone is out to get it.

The Getaway God (Sandman Slim, Book 6) HarperCollins

Sandman Slim returns in this stunning, high-octane ninth thriller in the series, filled with the intense, kick-ass action and inventive fantasy that are the hallmarks of New York Times bestselling author Richard Kadrey. Sandman Slim has been to Heaven and Hell and many places in between, but now he finds himself in an unknown land: the far, far edge of the Tenebrae, the desolate home of the lost dead. Making his way inland with nothing but his unerring instinct for trouble to guide him, he collides with a caravan of the damned on a mysterious crusade, led by the ruthless Magistrate. Alone and with no clue how to get back home, he throws in with this brutal bunch made up of human souls, Hellion deserters, rogue angels—and Father Traven. Slim didn’t land in Tenebrae by chance. His little stunt of trying to open Heaven has set off a tsunami across the universe. Now, the afterlife is falling apart because of the ensuing warfare. And when Heaven finds out Slim is close by, the angels put a fat bounty on his head. It’s one thing to ride with a ferocious criminal pack across the treacherous plains—it’s another to do it when everyone in the land of the dead is itching to keep you there permanently. But Slim’s not too worried. He’s been fighting cosmic forces bent on destroying Heaven, Hell, Earth, and him for years. A pack of vicious bounty hunters, vengeful angels, and dangerous enemies with friendly smiles isn’t going to stop him fixing the chaos he’s caused . . . one way or another.

"I loved where Kadrey started with this series, but I love where he's going even more."-- NYT Bestselling author Cory Doctorow Sandman Slim is back in Los Angeles and kicking more supernatural ass in this inventive, high-octane page-turner—the next to last volume in the popular and acclaimed fantasy adventure series from New York Times bestselling author Richard Kadrey. As the battle between warring angels continues, James Stark is focused on seemingly simpler matters now that he’s resurfaced on earth: an invasion of ghosts. L.A.’s Little Cairo neighborhood has suddenly been overrun by violent spirits, and Thomas Abbott knows if anyone can figure out why they’ve appeared—and how to get rid of them—it’s Stark. Armed with the Room of Thirteen Doors, Stark quickly learns that the answer may reach back to the 1970s and the unsolved murder of small-time actor, Chris Stein. As he begins to dig into the cold case, another area of Stark’s life takes an unexpected turn when he becomes entangled with Janet, a woman he saved during the High Plains Drifter zombie attack. Janet’s brush with the living dead hasn’t quenched her thirst for danger. She’s an adrenaline junkie and a member of The Zero Lodge—a club that promises “there’s zero chance you’ll get out alive.” The Lodge attracts thrill seekers who flock to perilous events such as night walks through the LA Zoo—with its deadliest animals uncaged. Joining the lodge to be with Janet, Stark makes a pair of crucial discoveries that could decide the fate of LA and Heaven itself. To prevent the Little Cairo haunting from consuming the city, Stark must piece together the connections between the Lodge and a missing angel last seen in a Hollywood porn palace. But while he may dispatch the ghosts, Stark knows that without his help, the bloody war in Heaven could rage forever.

Out from Boneville Harper Collins

Richard Kadrey’s Sandman Slim—aka James Stark—is, quite simply, one of the most outrageous uber-anti-heroes ever to kick serious butt on this or any other world or dimension. In his previous three adventures—Sandman Slim, Kill the Dead, and Aloha from Hell—Stark has fled Hell for California, taken on angels, demons, outlaw bikers, zombies, covert government operatives, and all manner of monsters, while saving humankind from total annihilation on numerous occasions. But in Devil Said Bang, he finally assumes the role he was destined for: as the new Lucifer, ruler of the Underworld. Combining outrageously edgy humor with a dark and truly twisted vision, Richard Kadrey has once again delivered a masterful amalgam of action novel, urban fantasy, and in-your-face horror that will delight a wide range of readers—from Christopher Moore and Warren Ellis fans to the devoted adherents of Jim Butcher, Charlaine Harris, Kim Harrison, and Simon Green.
