Select Committee on Assassinations from discovering the truth about the complicity of the CIA? Now, New York Times best-selling author Mark Lane tells all in this explosive new book—with exclusive new interviews, sworn testimony, and meticulous new research (including interviews with Oliver Stone, Dallas Police deputy sheriffs, Robert K. Tanenbaum, and Abraham Bolden) Lane finds out first hand exactly what went on the day JFK was assassinated. Lane

includes sworn statements given to the Warren Commission by a police officer who confronted a man who he thought was the assassin. The officer testified that he drew his gun and pointed it at the suspect who showed Secret Service ID. Yet, the Secret Service later reported that there were no Secret Service agents on foot in Dealey Plaza. The Last Word proves that the CIA, operating through a secret small group, prepared all credentials for Secret Service

agents in Dallas for the two days that Kennedy was going to be there—conclusive evidence of the CIA's involvement in the assassination. Killing Lincoln Henry Holt and Company Almost nothing gives rise to more national intrigue than the murder of an American president. And on November 22, 2013, the nation remembered the 50th anniversary of one of the most traumatic events in modern American history, the assassination of President John F. Kennedy. From day

one, the truth behind JFK ' s assassination has been mired in controversy and dispute. The Warren Commission, established just seven days after Kennedy ' s death, delved into the who, what, when, and where of the tragedy, and over the course of the following year compiled an 889-page report that arrived at the now widely contested conclusion: Lee Harvey Oswald was the sole assassin. In *Who Really Killed Kennedy?*, No. 1 New York Times best-selling author Jerome R. Corsi, Ph.D., provides readers with the ultimate JFK assassination theory book.

*The Road to Dallas* Henry Holt and Company *Blood, Money, & Power* exposes the secret, high-level conspiracy in Texas that led to President John F. Kennedy's death and the succession of Lyndon B. Johnson as president in 1963. Attorney Barr McClellan, a former member of L.B.J.'s legal team, uses hundreds of newly released documents, including insider interviews, court papers, and the Warren Commission, to illuminate the maneuvers,

payoffs, and power plays that revolved around the assassination of Kennedy and to expose L.B.J.'s involvement in the murder plot. In addition to revealing new information, McClellan answers common questions surrounding the assassination of our thirty-fifth president. Who had the opportunity, motive, and means to assassinate J.F.K.? Who controlled the investigation and findings of the Warren Commission? This historically

---

significant book is proof that absolute power, money, blood, corruption, and deception were at the heart of politics in the early 1960s, and it represents the very best investigative journalism has to offer.

### **A Cruel and Shocking Act**

Macmillan

In the months and weeks before the fateful November 22nd, 1963, Dallas was brewing with political passions, a city crammed with larger-than-life characters dead-set against the Kennedy presidency. These included rabid warriors like

defrocked military general Edwin A. Walker; the world's richest oil baron, H. L. Hunt; the leader of the largest Baptist congregation in the world, W.A. Criswell; and the media mogul Ted Dealey, who raucously confronted JFK and whose family name adorns the plaza where the president was murdered. On the same stage was a compelling cast of marauding gangsters, swashbuckling politicians, unsung civil rights heroes, and a stylish millionaire anxious to save his doomed city. Bill Minutaglio and Steven L. Davis ingeniously explore

the swirling forces that led many people to warn President Kennedy to avoid Dallas on his fateful trip to Texas. Breathtakingly paced, Dallas 1963 presents a clear, cinematic, and revelatory look at the shocking tragedy that transformed America. Countless authors have attempted to explain the assassination, but no one has ever bothered to explain Dallas-until now. With spellbinding storytelling, Minutaglio and Davis lead us through intimate glimpses of the Kennedy family and the machinations of the Kennedy White

House, to the obsessed men in Dallas who concocted the climate of hatred that led many to blame the city for the president's death. Here at long last is an accurate understanding of what happened in the weeks and months leading to John F. Kennedy's assassination. Dallas 1963 is not only a fresh look at a momentous national tragedy but a sobering reminder of how radical, polarizing ideologies can poison a city-and a nation. "We appreciate Roger Stone, he is one tough cookie." - President Trump The sensational New York Times bestseller, now in paperback. Find out how and why LBJ had JFK assassinated . The Man Who Killed Kennedy: The Case Against LBJ hit the New York Times bestseller list the week of the 50th Anniversary of the assassination of President John F. Kennedy. Consummate political insider Roger Stone makes a compelling case that Lyndon Baines Johnson had the motive, means, and opportunity to orchestrate the murder of JFK. Stone maps out the case that LBJ blackmailed

---

his way on the ticket in 1960 and was being dumped in 1964 to face prosecution for corruption at the hands of his nemesis attorney Robert Kennedy. Stone uses fingerprint evidence and testimony to prove JFK was shot by a long-time LBJ hit man—not Lee Harvey Oswald. President Johnson

would use power from his personal connections in Texas, from the criminal underworld, and from the United States government to escape an untimely end in politics and to seize even greater power. President Johnson, the thirty-sixth president of the United States, was the driving force behind a conspiracy to murder

President Kennedy on November 22, 1963. In *The Man Who Killed Kennedy*, you will find out how and why he did it. Legendary political operative and strategist Roger Stone has gathered documents and uses his firsthand knowledge to construct the ultimate tome to prove that LBJ was not only

death of JFK, brings together for the first time all of the central evidence demonstrating a domestic Right Wing conspiracy rooted in Texas which assassinated the President on November 22, 1963. The book represents forty years of work. The book discusses in great detail the actual medical evidence and the forgery of the autopsy

photographs and X-rays, which Mr. Livingstone first exposed, the alteration of the autopsy report, the framing of the designated patsy, Lee Harvey Oswald, and the substitution and fabrication of every single piece of evidence. It discusses the role played in the murder by some of the most powerful men in the country:

Lyndon Johnson, J. Edgar Hoover, and Richard Nixon, as well as the rich oil men and companies who backed them. It then describes the cover-ups by the media, the major investigations over the years, the FBI, and the mind-control cooperation at work in the case to misdirect researchers and the public. Shadow Government that has taken control of our country."There is a plot in this country to enslave every man, woman and child. Before I leave this high and noble office, I intend to expose this plot." In a speech three weeks before he was murdered, John F. Kennedy asked the American people "for their help in this tremendous

Because he knew that he could not defeat this secrete society of corporate demons on his own. But "I am confident that with your help man will be what he was born to be, Free

and Independent." Kennedy realized as do many American's today that the CIA possessed entirely too much power and was placing our Nation in grave danger acting on their own starting war, after war, without the consent or authority of either the President, Congress, or the American people. Kennedy angrily vowed

to splinter the CIA into a thousand pieces and scatter them to the winds. "Twice the CIA flatly refused to carry out the President's orders concerning Vietnam and their planned invasion of Cuba, because the agency disagreed with him." Kennedy "likened" the CIA'S growth to a malignancy, which he was not sure even the White House could control any

Kennedy went on to say that, "If the United States ever experiences an attempt at a coup to overthrow the Government, it will come from the CIA." John F. Kennedy tried to end the Wars and do away with the Federal Reserve "Banksters" that control our

government, and a month later they blew his brains out into a thousand pieces and scattered them to the winds.
