Killing Time: Caleb Carr: 9780743505901: Amazon.com: Books  
Caleb Carr's third novel grabs the reader's attention with its first page. Although the subject is decidedly new for Carr, his writing style remains similar to the novels The Alienist and The Angel of Darkness. Killing Time grabs you from the start, and doesn't seem to let go until long after you've finished reading it.

Although some agreed with USA Today that Killing Time was "a techno-terrifying tale of the information age run amok" and "a daring departure from the successful Alienist formula, but Carr is still a master of the cliffhanger, serving up a non-stop thrill ride as the story builds to a surprising finish," many found its stark view of information manipulation and its consequences too pessimistic, and the book was only briefly a New York Times bestseller.

Killing Time by Caleb Carr - Goodreads  
In The Angel Of Darkness, Caleb Carr brings back the vivid world of his bestselling The Alienist but with a twist: this story is told by the former street urchin Stevie Taggart, whose rough life has given him wisdom beyond his years. Thus New York City, and the groundbreaking alienist Dr.Kreizler himself,

are seen anew. It is June 1897. A year has passed since Dr. Laszlo Kreizler, a pioneer ... Killing Time book by Caleb Carr - Thriftbooks Killing Time was the first Caleb Carr book I was exposed to (although I've since read The Alienist as well), and I loved it. I saw it as a Neo-Verne adventure, with a group of intellectual idealists travelling the world in a high-tech airship, trying to change society.
