In The Angel Of Darkness, Caleb Carr brings back the vivid world of his bestselling The Alienist but with a twist: this story is told by the former street urchin Stevie Taggart, whose rough life has given him wisdom beyond his years. Thus New York City, and the groundbreaking alienist Dr. Kreizler himself, are seen anew. It is June 1897. A year has passed since Dr. Laszlo Kreizler, a pioneer ...

Caleb Carr's third novel grabs the reader's attention with its first page. Although the subject is decidedly new for Carr, his writing style remains similar to the novels The Alienist and The Angel of Darkness. Killing Time grabs you from the start, and doesn't seem to let go until long after you've finished reading it.

Killing Time Audiobook by Caleb Carr | Official Publisher ...  
Although some agreed with USA Today that Killing Time was "a techno-terrifying tale of the information age run amok" and "a daring departure from the successful Alienist formula, but Carr is still a master of the cliffhanger, serving up a non-stop thrill ride as the story builds to a surprising finish," many found its stark view of information manipulation and its consequences too pessimistic, and the book was only briefly a New York Times bestseller.
