Who better to advise you on sex and relationships than a woman who has consistently failed at both? In this laugh out loud funny "self-help novel", self proclaimed genius and author Cathryn Michon provides a how not to guide for anyone tackling the daunting task of finding

romance in today's world (or at the local fire station.) Chock full of instructive relationship tips-such as the Pros and "Cons" of dating a man in prison-The Grrl Genius Guide to Sex (With Other People) is hilarious and right on the money both as an instructional guide and an endearingly romantic story about a woman and her four best friends who form The Grrl Genius Club. Armed with the information from Cathryn's Wild Sexual Animal Kingdom research and her "Love is Important but Chocolate is Essential" Chocolate Fun Facts, her posse of Grrl Geniuses struggle with singlehood, married life, sexual preferences, widowhood, and friendship. Cathryn's journey veers from a "nails-on-chalkboard-scratchingly-awful" divorce and the botched kidnapping of her own dog, to pretending to be a lesbian, seeing her old lingerie sold on her old front lawn by her ex-husband's girlfriend, losing her job, and a tragic industrial accident-level bikini wax. And through everything, Cathryn searches for the answer to the most important relationship question of all: why are all the best men gay? If you've ever been tempted to have sex with another person, this is an essential read. If you've ever felt inadequate to a task or a failure at love or in any way anything less than a genius and you've sunk so low that even a new pair of cute shoes won't help, Cathryn Michon can show you the way to relationship happiness-all you have to do is learn from her very funny mistakes. However badly you

think you've done anything, Cathryn has done it even worse, and reveals lessons learned in the wryly witty and devastatingly honest style that has made her the favorite of aspiring geniuses everywhere!

Working as a guide in Mammoth Cave might allow Rebekah the chance to bring joy back to her family. But will the cave claim more than it gives? After tragedy leaves its mark on Rebekah Hardin's family, she plans to help her parents and six siblings honor her beloved brother's memory and alleviate their poverty by working as a guide in the dangerous cave system. Kentucky's renowned Mammoth Cave presents profitable opportunities for hardworking, capable men. But Rebekah is determined and if it means presenting herself as a himself, then she's up to the job. Under the wing of experienced guide Tolly Sanford, "Reb" begins to learn the complexities of the cave. The two are joined by an aspiring young cartographer, Devlin Bale. The university student has traveled to the hill

country to map tunnels—not to fall for a girl in disguise. Can the God who designed miles of underground astonishment shape Devlin's ambitious plans and free Reb from the weight of her past?
