Financial Accounting Wiley Global Education While there is growing interest in IFRS within the US, interest outside the US has exploded. Weygandt's fourth edition of Financial Accounting: IFRS highlights the integration of more US GAAP rules, a desired feature as more foreign companies find the United States to be their largest market. The highly anticipated new edition retains each of the key features (e.g. TOC, writing style, pedagogy, robust EOC) on which users of Weygandt Financial have come to rely, while putting the focus on international companies/examples, discussing financial accounting principles and procedures within the context of IFRS, and providing EOC exercises and problems that present students with foreign currency examples instead of solely U.S. dollars.

Financial Accounting Wiley To understand a business, you have to understand the financial insides of a business organization. Through a focus on accounting transactions, real-world problem-solving, and engaging industry examples, Weygandt Financial Accounting, 11th edition demonstrates how accounting is an exciting

field of study and helps connect core financial accounting concepts to students' everyday lives and future careers. Continuing to help students succeed in their introductory financial accounting course for over two decades, this edition brings together the trusted Weygandt, Kimmel, and Kieso reputation with fresh, timely, and accurate updates to help build confidence and engage today's students.
