Genesis 1 11: God Makes a Start is an excellent Bible study resource for teens wanting a better understanding of how and why God created the world, and why the earliest events of the Bible should matter to us today. The stories of Adam and Eve, of their sons Cain and Abel, of the people who provoked the flood

and those who built the tower of Babel: all of these stories display our human tendency to overstep our limits as creatures, to take control of our lives apart from God, to treat one another unjustly. The Genesis accounts tell us that our unhappiness stems from our failure to trust and obey our creator. Against this background, Jesus life and death emerge as a deliberate reversal of the deep-rooted human tendency to distrust and disobey God. Designed as a guided discovery,

Six Weeks with the Bible for Catholic Teens introduces high school students to books of the Bible by integrating the biblical text with insightful questions to help youth discern what Scripture means for their lives today. The series provides students with a clear explanation of Biblical text, opportunities for prayer, and a means to enter into conversation with God. "
