I always wanted to install Gmail on my tablet. But all the tutorials I've found required root or at least a PC. That scared me! And now, finally, there's a way to install Google Play Store very quickly, pretty much in 15 minutes. At the same time you'll get other apps from Google including Chrome and YouTube. It's a great functionality increase for the Amazon tablet, thanks to which you get a complete device for \$50, that you can even play Angry Birds on - which my seven year old daughter loves!
