Amazon 7" Fire & Fire HD User Guide The Complete User Manual To Master Your Kindle Fire HD In 24 Hours Or Less! The electronic reader has evolved over the last five to ten years. Early models were basic attempts at books; they stored electronic books and allowed you to read them in black and white with buttons to flick through the pages. The latest versions are more like tablets, mini computers capable of surfing the internet, taking pictures, playing videos and even downloading movies. The Kindle Fire and the Fire HD re two of the more recent offerings from Amazon and two of the most popular ones currently available. This is largely due to the combination of price and the range of functions included with these devices. If you have chosen one you will want to become acquainted with these functions as quickly as possible to ensure you make the most of your device. Here is a preview of what you'll learn: An introduction to the Fire and Fire HD, what it is and what it is capable of. The specifications and basic features of your new device. How to get started; setting up and using your first

apps. A range of useful tips and tricks to get the most from your device. The main differences between the Fire and the Fire HD
