Amazon Fire TV User Guide The Complete Step-By-Step User Guide To Movies, TV Shows, Games, Apps And Music - Plus Amazing Tips And Tricks! Watching and enjoying programming has made a dramatic turn in the past few years. In the late eighties early nineties we enjoyed going to the video store and purchasing movies to watch at home. Then came services such as on demand and instant video. This changed the way that we watched and consumed our entertainment. The problem with these forms of consuming our entertainment is the time and energy devoted to these activities. In the late 1990's we were introduced to streaming video which once again changed the landscape of the way we enjoyed our programing. However with this streaming programming we were still limited to using our computers and hooking up these devices to our televisions was time consuming and technical. Then came along the Amazon Fire TV. This device now allows us to easily watch streaming video on our televisions. But how does it work and why do we want one? Well in this book we will explore this question. We will talk about digital video and how it has changed the way we enjoy programming. We will talk about the hardware and equipment that we use to now stream this video as well as give you some tips and tricks that will allow you to get the most out of your Fire TV. At the end of this book you will know if the Fire TV is right for you and just how to get it and intergrade it into our new digital lifestyle.
