Are you thinking about buying a Kindle tablet? Do you already have one, and want to know how to make the most of it? This book is your answer Welcome, this is going to be a guide on how to navigate the Amazon Kindle space. The Amazon Kindle is a very open device but also very closed device in some respects. This is a guide that will help point out the sections that will likely be most beneficial to you. Not only will we be going over how to interact with children's accounts but we also will be going over how to only interact with your account. We'll also be going over some of the differences between the different tablet designers along with the differences between the different Kindle Fire tablets themselves on both a operating system level and a hardware level. As a person who owns a tablet and a Kindle but also repairs iPads, you will get the unique perspective from a person who is very experienced with using all three types of tablets. Here's What's Included in This Book What is the Kindle Fire Tablet? Different types of Kindle Fire Tablets Connecting to the Kindle Fire Tablet Accessing Kindle ebooks Playing Music Watching Movies Viewing Photos and Documents Best Kindle Fire Apps Comparision between Kindle and Apple/Android
