**How to Get the Most Out of Your Kindle Devices With Simple Step-by Step Instructions in 30 Minutes.** "O'Reilly Media, Inc."

Every church and ministry goes through changes in leadership, and the issue is far bigger than the wave of pastors from the Baby Boomer generation who are moving toward retirement. When a pastor leaves a church, ministries are disrupted and members drift away. If the church is already struggling, it can find itself suddenly in very dire straits indeed. But the outcome doesn't have to be that way. What if when a pastor moved on, the church knew exactly what to do to find a suitable replacement because a plan and a process had been in place for some time? While there is no simple, one-size-fits-all solution to the puzzle of planning for a seamless pastoral succession, Next offers

church leaders and pastors a guide to asking the right questions in order to plan for the future. Vanderbloemen, founder of a leading pastoral search firm, and Bird, an award-winning writer and researcher, share insider stories of succession successes and failures in dozens of churches, including some of the nation's most influential. Through case studies, interviews, and real-time research, the authors demystify successful pastoral succession and help readers prepare for an even brighter future for their ministries.

*4k Ultra HD Edition* Independently Published More than 100,000 entrepreneurs rely on this book for detailed, step-by-step instructions on building successful, scalable, profitable startups. The National Science Foundation pays hundreds of startup teams each year to follow the process outlined in the book, and it's taught at Stanford, Berkeley, Columbia and more than 100 other leading universities worldwide. Why? The Startup Owner's Manual guides you, step-by-step, as you put the Customer Development process to work. This method was created by renowned Silicon Valley startup expert Steve Blank, co-creator with Eric Ries of the "Lean Startup" movement and tested and refined by him for more than a decade. This 608-page how-to guide includes over 100 charts, graphs, and diagrams, plus 77 valuable checklists that guide you as you drive your company toward profitability. It will help you: • Avoid the 9 deadly sins that destroy startups' chances for success • Use the Customer Development method to bring your business idea to life • Incorporate the Business Model Canvas as the organizing principle for startup hypotheses • Identify your customers and determine how to "get, keep and grow" customers profitably • Compute how you'll drive your startup to repeatable, scalable profits. The Startup Owners Manual was originally published by K&S Ranch Publishing Inc. and is now available from Wiley. The cover, design, and content are the same as the prior release and should not be considered a new or updated product.
