You Are 1-Click Away From Learning How To Make The Most Of Kindle Fire HD And Alexa In A Non-Techie, Beginner

Friendly Language, Even If You Consider Yourself Technologically Challenged! Have you recently bought your Kindle Fire HD device and Amazon Echo but cannot find a simple, friendly and "non-techy" manual to help you out in setting them up, operating them well and making the most of their functions? As with most modern devices, many manuals and guides on Kindle Fire HD and Amazon Echo tend to be difficult to understand, too ambiguous or narrow for a total beginner- or downright boring! What's more; they often don't take into consideration user specific needs and are just too general that many users have to spend too much time figuring out many of the things by themselves! But you know what? You don't have to experience any of that when you have this book, as it is written by users for users (not just some factory made manual or one written by people who haven't even used the devices). Having gone through countless manuals when I bought my Kindle Fire HD and Amazon Echo, I know very well all the challenges most manuals present, and the inherent challenges that come with setting up, getting started, using and sharing these devices with members of a household! For instance, I know you may probably be wondering... Where do I get started? What does this (and that) button/feature do? How do I set up the device to offer protection and control for my kids? How can I get around common problems? How can I make the most of these devices? If you have these and other related questions, this simple, friendly, fun to read and informative guide is for you! Whether you're a beginner with zero tech knowledge about anything, or an advanced smart device user with a bit of background knowledge, this manual will prove 100% useful, so keep reading! More precisely, it will teach you: How to set up and navigate your new Fire HD 8 or 10 How to configure the device and assure protection for your children How to set up and work with parental control; child and adult profiles How to set up the key features and functions How to remove ads permanently How to troubleshoot the most common issues The features and potentialities of Alexa hands free and show mode The ins and outs of Amazon Echo to help you navigate its use effortlessly How to make the most of Amazon prime for free or cheap books, movies and music How to access the entire world of applications such as Google play store, WhatsApp and Telegram ...And so much more! From the themes above, you can see that this guide is dedicated to ensuring anyone- including kids and older adults- understand how these devices work and operate them flawlessly. Even if you don't consider yourself the most technologically savvy person and probably are afraid of 'damaging' something as you tinker with different features and capabilities, this book's encouraging and easy to follow approach will help you uncover features about Amazon Fire HD and Alexa that most average users never know even exist! Don't wait... Click Buy Now With 1-Click or Buy Now to get started!
