Our digital library saves in multipart countries, allowing you to acquire the most less latency times to download any of our books as soon as this one. Merely said, the King Matt The First Janusz Korczak is universally compatible gone any devices to read.

**King Matt the First** Farrar, Straus and Giroux (BYR)

These two works belong to that group of books written by one of this century's fiercest and most devoted child advocates. In the first, Korczak uses fiction to reveal the joys and sorrows of a child, a ten-year-old, juxtaposing them against the feelings of an adult as they both react to two days of adventure spent together. Two prominent themes in his writing are the exploration of the place of children in an adult world and the examination of the treatment and regard children are accorded in that world. In his second book, Korczak spells out his 'Magna Charta Libertatis' in defense of the child's right to respect, right to be him or herself, and, most importantly, right to respect for the strenuous effort expended in the process of 'growing up.'

*Goodnight Aggieland* Vintage

"This moving fable follows the adventures of Matt who becomes king when just a child and decides to reform his country according to his own priorities. Ignoring his grown-up ministers, he decrees that children should be given chocolate every day and builds the best zoo in the world. He fights in battles, braves the jungle, and crosses the desert, but perhaps the most life-altering thing of all is that the lonely boy king finds true friends. This timeless book shows us not only what children's literature can be, but what children can be. "

**Loving Every Child** Yale University Press

Youngsters discover the amazing truth about their life before they were born and also gain a respect for life and for the Creator who made each person unique. Illustrations.

British America, American America Macmillan

Janusz Korczak, whose original name was Henryk Goldszmit, is seen as the father of the very idea that children also have rights - human rights. His thinking had a profound impact on the drafting of the UN Convention on the Rights of the Child and continue to influence the child-friendly programmes of the Council of Europe. Korczak's message was about respect for children, respect for their inherent value as human beings but also for their capacity and competence. Though continuously practicing as a medical doctor and assisting in orphanages, he was also a writer. His essay "The Child's Right to Respect" in which he analyses the role of adults and the place of children in society is published in this volume. Koczak's vision about children's rights is still relevant. What can we learn from his ideas when tackling today's problems? Five children's rights activists analysed current problems in the spirit of Korczak.

**How to Love a Child: And Other Selected Works** Leuven University Press

In this hilarious classic adventure, an innocent boy and his friends must stop a plot to topple the King of England. Simon, the foundling from The Wolves of Willoughby Chase, arrives in London to meet an old friend and pursue the study of painting. Instead he finds himself unwittingly in the middle of a wicked crew's fiendish caper to overthrow the good King James and the Duke and Duchess of Battersea. With the help of his friend Sophie and the resourceful waif Dido, Simon narrowly escapes a series of madcap close calls and dangerous run-ins. In a time and place where villains do nothing halfway, Simon is faced with wild wolves, poisoned pies, kidnapping, and a wrecked ship. This is a cleverly contrived tale of intrigue and misadventure. Perfect for fans of Lemony Snicket and Roald Dahl "It's a marvel!" —The New Yorker "A wild yarn, not to be put down once it is started." —Washington Post "A riot of wildly improbable adventures happening to absurd and loveable characters with Dickensian names in a time that never was . . . Heartrending, hair-raising, rib-tickling, and delightful." —New York Times

**Dr Korczak's Example** Knopf Books for Young Readers

A bold new vision of how the United States shed its colonial identity and became a distinctive nation The transformation of British America, a cluster of colonies along the Atlantic, into American America, a nation-state, was not the sudden event of legend. The process extended well beyond the American Revolution—even beyond the War of 1812 the "Second American Revolution." Indeed, the making of the American nation was only realized well into the nineteenth century. In telling this story, Thomas Bender's British America, American America offers a brisk, novel, and highly readable account of social, political, and cultural developments from the years of settlement to the emergence of a continental nation. A pioneer in the growing field of transnational history, he integrates the most recent scholarship into the American story and stresses the interconnections, commonalities, and differences among British and French colonies in the Americas. Bender stresses that the nineteenth-century nation-state was defined by two elements: a political system based on popular sovereignty, and a distinctive national culture. The United States was a forerunner of popular sovereignty, but it took longer to establish a recognized culture. With the paintings of the Hudson River School and the emergence of a distinctive literary language in the masterpieces of Herman Melville and Walt Whitman this goal was realized.

**The Good Doctor of Warsaw** Kar-Ben Publishing ™

Offers the true story of Janusz Korczak, a writer and doctor, who established an orphanage for Jewish children in 1912 and, even in the most challenging times when living under Nazi rule, provided those in his care with the ideas, knowledge, and love they would need to grow into self-respecting adults.

Peter is excited to be going to forest school with Benjamin Bunny, they can't wait to learn all about the woodland they live in. But when he learns that his sisters won't be there, the little bunny gets nervous. Luckily Mrs. Rabbit is there to reassure him and hold his paw on the first day. With new, humorous illustrations of Beatrix Potter's well-

loved characters, this reassuring tale mirrors young children's early experiences. This book is a perfect gift for children to prepare for their first days at school or nursery.

*The Champion of Children* Algonquin Books

Nothing -- not even the chance to survive -- makes Dr. Korczak abandon the children of the Warsaw Ghetto.

*The Courage to Imagine* Simon and Schuster

For many of us, our earliest and most meaningful experiences with literature occur through the medium of a translated children's book. This volume focuses on the complex interplay that happens between text and context when works of children's literature are translated: what contexts of production and reception account for how translated children's books come to be made and read as they are? How are translated children's books adapted to suit the context of a new culture? Spanning the disciplines of Children's Literature Studies and Translation Studies, this book brings together established and emerging voices to provide an overview of the analytical, empirical and geographic richness of current research in this field and to identify and reflect on common insights, analytical perspectives and trajectories for future interdisciplinary research. This volume will appeal to an interdisciplinary audience of scholars and students in Translation Studies and Children's Literature Studies and related disciplines. It has a broad geographic and cultural scope, with contributions dealing with translated children's literature in the United Kingdom, the United States, Ireland, Spain, France, Brazil, Poland, Slovenia, Hungary, China, the former Yugoslavia, Sweden, Germany, and Belgium.

**The Preppy Murder Trial** Picture Book Biographies

From National Book Award Finalist Albert Marrin comes the moving story of Janusz Korczak, the heroic Polish Jewish doctor who devoted his life to children, perishing with them in the Holocaust. Janusz Korczak was more than a good doctor. He was a hero. The Dr. Spock of his day, he established orphanages run on his principle of honoring children and shared his ideas with the public in books and on the radio. He famously said that "children are not the people of tomorrow, but people today." Korczak was a man ahead of his time, whose work ultimately became the basis for the U.N. Declaration of the Rights of the Child. Korczak was also a Polish Jew on the eve of World War II. He turned down multiple opportunities for escape, standing by the children in his orphanage as they became confined to the Warsaw Ghetto. Dressing them in their Sabbath finest, he led their march to the trains and ultimately perished with his children in Treblinka. But this book is much more than a biography. In it, renowned nonfiction master Albert Marrin examines not just Janusz Korczak's life but his ideology of children: that children are valuable in and of themselves, as individuals. He contrasts this with Adolf Hitler's life and his ideology of children: that children are nothing more than tools of the state. And throughout, Marrin draws readers into the Warsaw Ghetto. What it was like. How it was run. How Jews within and Poles without responded. Who worked to save lives and who tried to enrich themselves on other people's suffering. And how one man came to represent the conscience and the soul of humanity. Filled with black-and-white photographs, this is an unforgettable portrait of a man whose compassion in even the darkest hours reminds us what is possible.

*How to Get Your Child to Love Reading* University Press of America

Critically acclaimed when it was first published, Tuck Everlasting has become a much-loved, well-studied modern-day classic. This anniversary edition features an in-depth interview conducted by Betsy Hearne in which Natalie Babbitt takes a look at Tuck Everlasting twenty-five years later. What if you could live forever? Is eternal life a blessing or a curse? That is what young Winnie Foster must decide when she discovers a spring on her family's property whose waters grant immortality. Members of the Tuck family, having drunk from the spring, tell Winnie of their experiences watching life go by and never growing older. But then Winnie must decide whether or not to keep the Tucks' secret—and whether or not to join them on their never-ending journey. Praise for Tuck Everlasting by Natalie Babbitt: "A fearsome and beautifully written book that can't be put down or forgotten." —The New York Times "Exciting and excellently written." —The New York Times Book Review "With its serious intentions and light touch the story is, like the Tucks, timeless." —Chicago Sun-Times "Probably the best work of our best children's novelist." —Harper's "Natalie Babbitt's great skill is spinning fantasy with the lilt and sense of timeless wisdom of the old fairy tales. . . . It lingers on, haunting your waking hours, making you ponder." —The Boston Globe "This book is as shapely, crisp, sweet, and tangy as a summer-ripe pear." —Entertainment Weekly This title has Common Core connections.

**Ghetto Diary** St. Martin's Paperbacks

Born in Poland in 1878, educator, physician, and legendary child advocate Janusz Korczak believed that simply understanding children is the key to being able to take care of them. It's a basic premise too often overlooked. This collection of one hundred quotations and passages from Korczak's writings provides valuable advice on how to take care of, respect, and love every child. In an inviting gift-book format, this is a heartfelt and helpful reminder of who we were as children and who we might become as parents.

**English Translations of Korczak's Children's Fiction** Annick Press

The Man Who Knew How to Love Children tells the story of young Itzchak Belfer, the author and artist, at a joyful and pleasant orphanage. It was a beautiful big four story building, and it had a great hall for performances and a black grand piano. There was no other house like it anywhere in the world. It was the children's empire. They had daily duties and chores, and yet enjoyed great freedom to decide and adjust the rules. Belfer is one of three living children from the famous Janusz Korczak orphanage in Warsaw, Poland. He allows us a rare glimpse into Korczak's innovative liberal methods of thinking and education, over a hundred years ago, by describing his daily life, the house arrangements, and the way conflicts were resolved. No doubt, Korczak's great

---

personality and attitude during the most crucial eight years of Belfer's childhood had a powerful effect throughout his life, which radiates from his loving voice and all the colors of his description. During World War II, after the Nazis conquered Warsaw, Belfer escaped through the woods to Russia, and remains the only survivor of his family, who all perished in the Holocaust. Belfer realized his dream to leave Europe, establish a family and settle in Israel. Korczak, the legendary Polish pediatrician, author and educator, was murdered in 1942by the Nazis when he refused to save himself and abandon his Jewish students. He was not able to betray his entire doctrine and life work, and desert his students. Instead, he marched with them, walking tall, into the Treblinka incinerators. Korczak is known as one of the pioneers of current multiple pedagogical streams. He truly understood children, loved them and had a revolutionary approach toward children. Teachers all over the world have adopted his ideas and practice.

King Matt the First Walter de Gruyter GmbH & Co KG

The acclaimed National Book Award finalist—“one of the United States’ finest writers,” according to Joshua Ferris, “full of wit, humanity, and fearless curiosity”—now gives us a novel that will join the short list of classics about children caught up in the Holocaust. Aron, the narrator, is an engaging if peculiar and unhappy young boy whose family is driven by the German onslaught from the Polish countryside into Warsaw and slowly battered by deprivation, disease, and persecution. He and a handful of boys and girls risk their lives by scuttling around the ghetto to smuggle and trade contraband through the quarantine walls in hopes of keeping their fathers, mothers, brothers, and sisters alive, hunted all the while by blackmailers and by Jewish, Polish, and German police, not to mention the Gestapo. When his family is finally stripped away from him, Aron is rescued by Janusz Korczak, a doctor renowned throughout prewar Europe as an advocate of children’s rights who, once the Nazis swept in, was put in charge of the Warsaw orphanage. Treblinka awaits them all, but does Aron manage to escape—as his mentor suspected he could—to spread word about the atrocities? Jim Shepard has masterfully made this child’s-eye view of the darkest history mesmerizing, sometimes comic despite all odds, truly heartbreaking, and even inspiring. Anyone who hears Aron’s voice will remember it forever.

A World Without Heroes Springer Nature

Presents a portrait of the personal life and career of Sam Houston who is best known for defeating the Mexican Army in 1836 and establishing Texas as an independent nation.

*Korczak Lectures* King Matt the First

This book investigates major linguistic transformations in the translation of children’s literature, focusing on the English-language translations of Janusz Korczak, a Polish-Jewish children’s writer known for his innovative pedagogical methods as the head of a Warsaw orphanage for Jewish children in pre-war Poland. The author outlines fourteen tendencies in translated children’s literature, including mitigation, simplification, stylization, hyperbolization, cultural assimilation and fairytalization, in order to analyse various translations of King Matt the First, Big Business Billy and Kaytek the Wizard. The author then addresses the translators’ treatment of racial issues based on the socio-cultural context. The book will be of use to students and researchers in the field of translation studies, and researchers interested in children’s literature or Janusz Korczak.

**Janusz Korczak's Children** Random House

Set in the final, numbered, days of an orphanage in the Warsaw ghetto in 1942, this play is based on real events. It's 'alienation' device of depicting its characters through the use of dolls, further enhances our painful feeling of powerlessness. Yet, in spite of its tragic outcome, it leaves us uplifted by the power of love.
