My father's people boast a fiercely proud Scandinavian ancestry while my mother's tribes descend from two savagely beautiful and unique nations that inspire my Skin Walkers series. I'm a huge fan of MMA, boxing, 30 Seconds to Mars, DMX, 21 Pilots, and Rage Against the Machine. I also love to read because it encourages me to write. [Skin Walkers Book Series - Thriftbooks](#)

Unlike King, Monroe had been raised by his parents, his Walker parents. With knowledge that had been passed down, Monroe taught King all that he knew about their kind. Skin Walkers existed in five differing stages; each more skilled and powerful than the next. Like their ancestors, all Walkers had the ability to shape-shift, but in varying degrees.

Lilly settled into the back seat of the sedan trying to relax when her eyes locked on those staring at her from the rear-view mirror. If she lived a thousand lives she'd never forget those commanding green eyes. King. She tried to tamp down her welling emotions as she tore her eyes from his. Jenny waved goodbye as King put the car in drive and pulled away from the manor.

King is the first volume in Skin Walkers series. Since the first pages, I decided that I will not give up this series and I will read each volume. Like the other series by Susan, this one is full of sexy scenes, a protective alpha, a stubborn heroine and the happy ending as I like.
