This is the first time I have read something by R J Lewis, it certainly won't be the last time. I really like the development of the main characters Sara and Jaxon. Their school years were poignant, sweet, and emotional. It was a slight shock to read how Sara kind of goes off the tracks for a while.

R.J. Lewis is a great author and didn't disappoint with Kiss a Stranger. The book held my attention and had pretty much everything I look for in a book. The only thing I would have liked is if the h, Claire, would have been a little stronger and less insecure.
