The classic children's story about a young boy, his toy castle, and a magical adventure that reveals the true meaning of courage When his beloved caretaker Mrs. Phillips tells him she's leaving, William is devastated. Not even her farewell gift of a model medieval castle helps him feel better—though he has to admit it's fascinating. From the working drawbridge and portcullis to the fully-furnished rooms, it's perfect in every detail. It almost seems magical. And when William looks at the silver knight, the tiny figure comes to life in his hand—and tells him a tale of a wicked sorcerer, a vicious dragon, and a kingdom in need of a hero. Hoping the castle's magic will help him find a way to make his friend stay, William embarks on a daring quest with Sir Simon, the Silver Knight—but he will have to face his own doubts and regrets if he's going to succeed. William's

story continues in *The Battle for the Castle*, available as a redesigned companion edition. An IRA-CBC Children's Choice A California Young Reader Medal Winner A Dorothy Canfield Fisher Children's Book Award Winner Nominated for 23 State Book Awards

Aidan West: I'm a jackass. But you know what? At least I'm willing to admit that. I'm not like these imposters walking around, wearing their false identities to the public. They don their business suits and pretend they're reasonable fair men in the world of cutthroat business. These douchebags will f*ck you over the second your back is turned to them. Not me. I'll f*ck you over while I'm looking straight into your eyes, and I won't hesitate to do it. I'm Aidan f*cking West. The Asshole of the East. I'm greedy and cold, and I take what I want. And what I want since the passenger next to me opened her mouth and uttered the word "f*ck" is to stick my tongue down her throat and taste her. Taste every inch of her. I'm a man that gets what he wants. And what I want is Ivy Montcalm. The black- and red-haired girl who shows

up in my life, swearing like a pirate, dressed in nothing but short-shorts and a tiny top. She's my quest, and I never let a quest go unfinished. Ivy Montcalm: Aidan West is the most arrogant man I have ever met. He's loaded with charm, has a filthy mouth, and don't get me started on those late night messages! What we have is more than just attraction, though. I fear it's something deeper. I started off as a quest, but I think I'm more than that now. I've never wanted a man more, but I can't have him. Not when my world is in shambles and I'm trying to build the courage to end this toxic chapter of my life and start over. I'm hurting, and he's there for me. I'm lonely and he fills that void. He offers me friendship when I want more. When he wants more, I'm terrified of change. How do you let go of familiarity when it's all you've known? I'm scared I'm not strong enough, and I'm scared Aidan won't be there waiting for me when I finally am. Mister West is book 1 of 2 in the Mister West duet. Book 2, titled SIR, will be released soon.

An intense psychological thriller for readers of *I Am Watching You*, *The Luckiest Girl Alive*, and *All the Missing Girls*. Two missing girls. Thirteen years apart. Olivia Shaw has been missing since last Tuesday. She was last seen outside the entrance of her elementary school in Hunts Point wearing a white spring jacket, blue jeans, and pink boots. move. Olivia Shaw could be my mirror image, rewound to thirteen years ago. If you have any knowledge of Olivia Shaw's whereabouts or any relevant information, please contact... I've spent a long time peering into the faces of girls on missing posters, wondering which one replaced me in that basement. But they were never quite the right age, the right look, the right circumstances. Until Olivia Shaw, missing for one week tomorrow. Whoever stole me was never found. But since I was taken, there hasn't been another girl. And now there is.

A USA TODAY BESTSELLER! "A powerful debut that proves the threads that interweave our lives can withstand time and any tide, and bind our hearts forever." —Susanna Kearsley, New York Times bestselling author of *Belleweather* and *The Vanished Days*
A historical novel inspired by true events, Kelli Estes's brilliant and atmospheric debut is a poignant tale of two women determined to do the right thing, highlighting the power of our own stories. The smallest items can hold centuries of secrets... While exploring her aunt's island estate, Inara Erickson is captivated by an elaborately stitched piece of fabric hidden in the house. The truth behind the silk sleeve dated back to 1886, when Mei Lien, the lone survivor of a cruel purge of the Chinese in Seattle found refuge on Orcas Island and shared her tragic experience by embroidering it. As Inara peels back layer upon layer of the centuries of secrets the sleeve holds, her life becomes

interwoven with that of Mei Lien. Through the stories Mei Lien tells in silk, Inara uncovers a tragic truth that will shake her family to its core—and force her to make an impossible choice. Should she bring shame to her family and risk everything by telling the truth, or tell no one and dishonor Mei Lien's memory? A touching and tender book for fans of Marie Benedict, Susanna Kearsley, and Duncan Jepson, *The Girl Who Wrote in Silk* is a dual-time period novel that explores how a delicate piece of silk interweaves the past and the present, reminding us that today's actions have far reaching implications. Praise for *The Girl Who Wrote in Silk*: "A beautiful, elegiac novel, as finely and delicately woven as the title suggests. Kelli Estes spins a spellbinding tale that illuminates the past in all its brutality and beauty, and the humanity that binds us all together." —Susan Wiggs, New York Times bestselling author of *The Beekeeper's Ball* "A touching and tender story about discovering the past to bring peace to the present." —Duncan Jepson, author of *All the Flowers in Shanghai* "Vibrant and tragic, *The Girl Who Wrote in Silk* explores a horrific, little-known era in our nation's history. Estes sensitively alternates between Mei Lien, a young Chinese-American girl who lived in the late 1800s, and Inara, a modern recent college grad who sets Mei Lien's story free." —Margaret Dilloway, author of *How to Be an American Housewife* and *Sisters of Heart and Snow*
