Creating a Mentoring Culture Harper Collins
People magazine named Eloisa James' novel *Midnight Pleasures* "Page Turner of the Week" and raved "Romance writing does not get much better than this." Now the acclaimed author returns with another sumptuous tale of passion and misadventure in Regency England. . . . Gabrielle Jerningham cherishes the portrait of her betrothed, the perfect Peter Dewland . . . until she meets his commanding older brother Quill. But it is Peter to whom she has been promised. And how can she possibly transform her voluptuous, outspoken self into the poised gentlewoman Peter requires? When Gabby's shocking *dé colletage* plunges to her waist at her first ball, Peter is humiliated. But Quill comes to the rescue, to the peril of his heart. An accident years before has left Quill plagued by headaches—the kind that grows more excruciating with strenuous exercise. Needless to say, this hardly bodes well for siring progeny. But the very sight of Gabby leaves Quill breathless. One forbidden kiss and Quill vows to have her, headaches—and Peter—be damned! But it will take a clever man—and a cleverer woman—to turn the tables on propriety and find their way to true love. . . .

Headstrong Daughters Harper Collins
After years of living vicariously through the heroines in her novels, bestselling author Eloisa James takes a leap that most of us can only daydream about. She sells her house, leaves her job as a Shakespeare professor, and packs her husband and two protesting children off to Paris. Grand plans are abandoned as she falls under the spell of daily life as a Parisienne—exquisite food, long walks by the *seine*, reading in bed, displays of effortless chic around every corner, and being reminded of what really matters in a place where people seem to kiss all the time. Against one of the world's most picturesque backdrops, she copes with her Italian husband's notions of quality time; her two hilarious children, ages eleven and fifteen, as they navigate schools—not to mention puberty—in a foreign language; and her formidable mother-in-law, *marina*, who believes dogs should be fed *prosciutto* and wives should live in the kitchen. An irresistible love letter to a city that will make you want to head there, *Paris in Love* is also a joyful testament to the pleasures of savouring life.

Enchanting Pleasures Jillian Dodd Inc.

From the award-winning author of *The Golden Mean*, a captivating, wholly transporting new novel that follows Aristotle's strong-willed daughter as she shapes her own destiny: an unexpected love story, a tender portrait of a girl and her father, and an astonishing journey through the underbelly of a supposedly enlightened society. Aristotle has never been able to resist a keen mind, and Pythias is certainly her father's daughter: besting his brightest students, refusing to content herself with a life circumscribed by the kitchen, the loom, and, eventually, a husband. Into her teenage years, she is protected by the reputation of her adored father, but with the death of Alexander the Great, her fortunes suddenly change. Aristotle's family is forced to flee Athens for a small town, where the great philosopher soon dies, and orphaned Pythias quickly discovers that the world is not a place of logic after all, but one of superstition. As threats close in on her—a rebellious household, capricious gods and goddesses—she will need every ounce of wit she possesses, and the courage to seek refuge where she least expects it. This ebook edition includes a Reading Group Guide.

Kiss Me, Annabel Zondervan

Eloisa James returns to the Wildes of Lindow Castle series with the next Wilde

child who runs and joins a theatre troupe -- and the duke who tries to save her reputation. He wants a prim and proper duchess, not the Wildest of the Wildes! Already notorious for the golden hair that proves her mother's infidelity, Lady Joan can't seem to avoid scandals, but her latest escapade may finally ruin her: she's determined to perform the title role of a prince—in breeches, naturally. She has the perfect model for an aristocratic male in mind: Thaddeus Erskine Shaw, Viscount Greywick, a man who scorned the very idea of marrying her. Not that Joan would want such a dubious honor, of course. For years, Thaddeus has avoided the one Wilde who shakes his composure, but he's horrified when he grasps the danger Joan's putting herself in. Staring into her defiant eyes, he makes the grim vow that he'll keep her safe. He strikes a bargain: after one performance, the lady must return to her father's castle and marry one of three gentlemen whom he deems acceptable. Not including him, of course.

When her father accepts his offer... she panics. And when their marriage night isn't all it could be, she pretends. In a tower. But Edie's inability to hide her feelings makes pretending impossible, and when their marriage implodes, she retreats to a tower—locking Gowan out. Now Gowan faces his greatest challenge. Neither

commands nor reason work with his spirited young bride. How can he convince her to give him the keys to the tower... When she already has the keys to his heart?

But Lady Maitland is still under the watchful eye of her former guardian, the wildly untamed Rafe, the Duke of Holbrook. He believes she is still in need of a "watchdog." It's Rafe's long-lost brother, a man who looks precisely like the duke but with none of his degenerate edge, who interests Imogen. To Imogen, he's the shadow duke . . . the man who really should hold the title. The Nature Fix: Why Nature Makes Us Happier, Healthier, and More Creative Xlibris

13th June, 1940. Carefully labelled, and each clutching a little brown suitcase, Terry, aged seven, and his elder brother Jack, eleven, stand amid the throng of chattering children which crowds the narrow platform at Welling station, awaiting the steam engine which will pull them and their fellow evacuees across the country towards their secret destination - and a new life... In the tiny Cornish backwater of Doublebois the brothers find

they have swapped the newly built streets of suburban London for the joys of the countryside. The woods become their playground, tree-climbing, rabbit-catching and night-fishing their new pastimes. But it is the railway, above all, which delights them. The main London to Penzance line runs through a cutting right below the small community, the goods yard and siding lie a couple of hundred yards down the line: to the two young sons of a railway worker, No. 7 the Railway Cottages seems the perfect new home. And despite a not-always-friendly rivalry between local kids and the 'vackies', village life under the care of irreverent, Welsh ex-miner Uncle Jack and his generous wife Aunty Rose is idyllic. That is, until the bombing of nearby Plymouth and tragic news from the Front shatter the peace of Doublebois, a reminder of the brutal reality of a war which at times seems so far away. Warm-hearted and moving, Kisses on a Postcard is a vivid and intimate portrait of a forgotten part of our wartime history; a compelling and uplifting memoir of growing up in an extraordinary time.
