Shades of Midnight Simon and Schuster  
In this pulse-pounding new Midnight Breed vampire romance novel from New York Times and #1 international bestselling author Lara Adrian, passion explodes between a daywalking member of the Order and a fiery female warrior whose shadowy past will test the bonds of both duty and desire. As the son of a formidable Breed warrior, Aric Chase has been devoted to the Order all his life. With his training completed, all he needs is one successful mission before he can join the fight to destroy the Order's chief nemesis, Opus Nostrum. His rare ability to daywalk lands Aric an assignment in Montreal, where he learns he's to be teamed with another new recruit, a beautiful, but tough-as-nails Breedmate named Kaya Laurent. Independent and driven, Kaya wants nothing more than to become a full-fledged member of the Order. Having grown up in

squalor and neglect on the streets of Montreal, she longs for the close-knit family she's found during her training to be a warrior. Eager to prove herself, she is thrilled to be given the chance at a key operation—even if she must share the mission with an arrogant, far-too-seductive Breed male who's practically Order royalty. Their unwanted partnership soon erupts into a desire neither of them can resist. But when Kaya's past reaches out from the shadows to call her back, she must decide between protecting a dark alliance that could shatter her dreams of joining the team and a truth that could not only forfeit Aric's faith in her, but bring the enemy right to the Order's door.

DELIVERED FROM THE DARKNESS, A WOMAN FINDS HERSELF PLUNGED INTO A PASSION THAT IS DEEPER THAN MIDNIGHT. At eighteen, Corinne Bishop was a beautiful, spirited young woman living a life of privilege as the adopted daughter of a wealthy family. Her world changed in an instant when she was stolen away and held prisoner by the malevolent vampire Dragos. After many years of captivity and torment, Corinne is rescued by the Order, a cadre of vampire warriors embroiled in a war against Dragos and his followers. Her innocence taken, Corinne has lost a piece of her heart as well—the one thing that gave her hope during her imprisonment, and the only thing that matters to her now that she is free. Assigned to safeguard Corinne on her trip home is a formidable golden-eyed Breed male called Hunter. Once Dragos's most deadly assassin, Hunter now works for the Order, and he's hell-bent on making Dragos pay for his manifold sins. Bonded to Corinne by their mutual desire, Hunter will have to decide how far he'll go to end Dragos's reign of evil—even if carrying out his mission means shattering Corinne's tender heart.

### Kiss of Midnight Dell

From the award-winning historian, war reporter, and author Damien Lewis (Zero Six Bravo, Judy) comes the incredible true story of the top-secret "butcher-and-bolt" black ops units Prime Minister Winston Churchill assigned the task of stopping the unstoppable German war machine. Criminals, rogues, and survivalists, the brutal tactics and grit of these "deniables" would define a military unit the likes of which the world had never seen.

When France fell to the Nazis in spring 1940, Churchill declared that Britain would resist the advance of the German army--alone if necessary. Churchill commanded the Special Operations Executive to secretly develop of a very special kind of military unit that would operate on their own initiative deep behind enemy lines. The units would be licensed to kill, fully deniable by the British government, and a ruthless force to meet the advancing Germans. The very first of these "butcher-and-bolt" units--the innocuously named Maid Honour Force--was led by Gus March-Phillipps, a wild British eccentric of high birth, and an aristocratic, handsome, and bloodthirsty young Danish warrior, Anders Lassen. Amped up on amphetamines, these assorted renegades and sociopaths undertook the very first of Churchill's special operations--a top-secret, high-stakes mission to seize Nazi shipping in the far-distant port of Fernando Po, in West Africa. Though few of these early desperadoes survived WWII, they took part in a series of fascinating, daring missions that changed the course of the war. It was the first stirrings of the modern special-ops team, and all of the men involved would be declared war heroes when it was all over.

The Ministry of Ungentlemanly Warfare

focuses on a dozen of these extraordinary men, weaving their stories of brotherhood, comradely, and elite soldiering into a gripping narrative yarn, from the earliest missions to Anders Lassen's tragic death, just weeks before the end of the war.

I am Meredith Gentry, P.I. and Princess Merry, heir to the throne of Fairie. Now there are those among me who whisper I am more. They fear me even as they protect me. And who can blame them? I ' ve awakened the dazzling magic that ' s slumbered in them for thousands of years. But the thing is, I can ' t figure out why. My aunt, the Queen of Air and Darkness, is no longer distracted by her usual sadistic hobbies. Her obsession has turned unwaveringly to me. The mission to get me pregnant and beat my cousin Prince Cel to the crown is taking longer than expected. Even though I spend each night with the Queen ' s Ravens, my immortal guards, no child has come of our decadent pleasures. But something else is happening. My magic courses through me uncontrollably. And as I lock my half-mortal body with their full-Sidhe blooded ones, the power surges like never before. It all began with the chalice. I dreamed of it, and it appeared, cool and hard, beside me when I awoke. My guards know the ancient relic well—its disappearance ages ago stripped them of their vital powers. But it is here with us now. My touch resonates with its force, and they ' re consumed with it, their Sidhe essences lit up by it. But even as they cherish me for this unexpected gift, there are those who loathe me for it. Me, a mongrel, only half fey and part mortal. The Unseelie court has suffered for so long, and there are some who would not have it weakened further by an impure queen. My enemies grow in number every day. But they do not know what I am capable of. Nor, for that matter, do I. . . . In *Seduced by Moonlight*, Laurell K. Hamilton brings the dark, erotic reign of the immortal fey to a startling new depth. Full of sensuality and the consuming anticipation of latent powers unleashed, this world of gods, shapeshifters, and immortal souls is unveiled in all of its supreme magnificence and its treacherous deceits.

### The Well of Loneliness Dell

The first time she saw him, she flipped. The first time he saw her, he ran. That was the

---

second grade, but not much has changed by the seventh. She says: “ My Bryce. Still walking around with my first kiss. ” He says: “ It ’ s been six years of strategic avoidance and social discomfort. ” But in the eighth grade everything gets turned upside down. And just as he ’ s thinking there ’ s more to her than meets the eye, she ’ s thinking that he ’ s not quite all he seemed. This is a classic romantic comedy of errors told in alternating chapters by two fresh, funny voices. Wendelin Van Draanen is at her best here with a knockout cast of quirky characters and a hilarious series of misunderstandings and missed opportunities. But underlying the humor are two teens in transition. They are each learning to look beyond the surface of people, both figuring out who they are, who they want to be, and who they want to be with. *Lover Unleashed* Hachette UK

She has no choice but to seek shelter in his arms... Ice-cold breed warrior Nathan is on a mission for the Order to expose the members of a secret cabal called Opus Nostrum, comprised of both human and Breed members. But Nathan's allegiance to the Order is challenged when his pursuit leads him to Martin Gates, the wealthy patriarch of a high society Breed family, and the father of ethereal Jordana Gates, a woman far out of Nathan's league and one he craves like no other. A few weeks before the couple shared an unexpected, stolen kiss... a kiss that Nathan is unable to forget. And soon Nathan and Jordana are swept into a passion that will force him to choose between duty towards his Order brethren, and desire for the one woman he cannot resist. Praise for the *Midnight Breed* series: 'An adrenalin-fuelled, sizzlingly sexy, darkly intense... addictively readable series.' *Chicago Tribune*. 'A gut-wrenching new paranormal series by hot

talent Adrian... terrific supernatural entertainment.' *Romantic Times*

BONUS: This edition contains an excerpt from Lara Adrian's *Shades of Midnight*. A woman driven by blood. A man thirsting for vengeance. A place where darkness and desire meet... As night falls, Claire Roth flees, driven from her home by a fiery threat that seems to come from hell itself. Then, from out of the flames and ash, a vampire warrior emerges. He is Andreas Reichen, her onetime lover, now a stranger consumed by vengeance. Caught in the cross fire, Claire cannot escape his savage fury—or the hunger that plunges her into his world of eternal darkness and unending pleasure. Nothing will stop Andreas from destroying the vampire responsible for slaughtering his Breed brethren . . . even if he must use his former lover as a pawn in his deadly mission. Blood-bonded to his treacherous adversary, Claire can lead Andreas to the enemy he seeks, but it is a journey fraught with danger—and deep, unbidden desires. For Claire is the one woman Andreas should not crave, and the only one he ’ s ever loved. A dangerous seduction begins—one that blurs the lines between predator and prey, and stokes the flames of a white-hot passion that may consume all in its path. . .

*Darker After Midnight* Dell

When a routine hanging goes wrong and a murderer somehow survives the noose, the man announces he is an immortal. And not just any immortal, but Cayal, the Immortal Prince, hero of legend, thought to be only a fictional character. To most he is a figure out of the Tide Lord Tarot, the only record left on Amyrantha of the mythical beings whom fable tells created the race of half-human, half-animal Crasii, a race of slaves. Arkady Desean is an expert on the legends of the Tide Lords so at the request of the King's Spymaster, she is sent to interrogate this would-be immortal, hoping to prove he is a spy, or at the very least, a madman. Though she is set the task of proving Cayal a liar, Arkady finds herself believing him, against her own good sense. And as she begins to truly believe in the Tide Lords, her own web of lies begins to unravel...
