On August 14, 1945, Alfred Eisenstaedt took a picture of a sailor kissing a nurse in Times Square, minutes after they heard of Japan's surrender to the United States. Two weeks later LIFE magazine published that image. It became one of the most famous WWII photographs in history (and the most celebrated photograph ever published in the world's dominant photo-journal), a cherished reminder of what it felt like for the war to finally be over. Everyone who saw the picture wanted to know more about the nurse and sailor, but Eisenstaedt had no information and a search for the mysterious couple's identity took on a dimension of its own. In 1979 Eisenstaedt thought he had found the long lost nurse. And as far as almost everyone could determine, he had. For the next thirty years Edith Shain was known as the woman in the photo of V-J Day, 1945, Times Square. In 1980 LIFE attempted to determine the sailor's identity. Many aging warriors

stepped forward with claims, and experts weighed in to support one candidate over another. Chaos ensued. For almost two decades Lawrence Verria and George Galdorisi were intrigued by the controversy surrounding the identity of the two principals in Eisenstaedt's most famous photograph and collected evidence that began to shed light on this mystery. Unraveling years of misinformation and controversy, their findings propelled one claimant's case far ahead of the others and, at the same time, dethroned the supposed kissed nurse when another candidate's claim proved more credible. With this book, the authors solve the 67-year-old mystery by providing irrefutable proof to identify the couple in Eisenstaedt's photo. It is the first time the whole truth behind the celebrated picture has been revealed. The authors also bring to light the couple's and the photographer's brushes with death that nearly prevented their famous spontaneous Times Square meeting in the first place. The sailor, part of Bull Halsey's famous task force, survived the deadly typhoon that took the lives of hundreds of other sailors. The nurse, an Austrian Jew who lost her mother and father in the Holocaust, barely managed to escape to the United States. Eisenstaedt, a World War I German soldier, was nearly killed at

Flanders.

"Honestly the best series I've read since *Outlander*." "Wow!! What a series!! Heart thumping!! This paranormal series is EVERYTHING!!! This is the ultimate romance, fantasy, mind-blowing sex, mystery, everything you'll ever want in a paranormal book. My heartbeat speeds up, my pulse quickens, my breathing comes in gasps as I work my way through this work! I can't wait to get my hands on and my mind wrapped around each new installment. You'll fall in love with the characters! They are so well-developed with flaws and strengths that make them so very human but with also with special abilities that as humans you envy and wish you possessed. I can't say enough good about this series. You won't be disappointed!"

"Brundar and Calypso is definitely one of the most beautiful love stories. Tessa and Jackson is sweet and romantic. Two stories with traumatic events in their childhood and how it changes the life of those that suffer them. In one is Brundar and in the other is Tessa and how those that love them help them heal their wounded souls." "Hooked!!! Over the last two months, I have read/listened to the entire series and have pre-ordered the next book! I haven't picked up another series during this time. Normally I listen to one series and read another. I could not put these books down. I have never read any series like this one. I absolutely love that throughout the books you still hear what is going on with the previous characters. Instead of each book having its own story, it is more like one long story where new people get introduced as events happen. For me, this

is the right balance of paranormal content. Nothing too crazy but just outside the realm of possibility. I.T Lucas - please continue to write these stories for as long as possible. I am in love with all the characters and don't want to let them go. -----

----- Get ready for the heart pounding conclusion to Brundar and Calypso's story. -----

----- Oh God, Shawn was dead. Callie still couldn't wrap her head around it, nor could she summon even a smidgen of sorrow or regret. After all, she had some memories with him that weren't horrible. She should've felt something. But there was nothing, not even shock. Not even horror at what had transpired over the last couple of hours. Maybe it was a typical response for survivors--feeling euphoric for the simple reason that they were alive. Especially when that survival was nothing short of miraculous. Brundar's cold hand closed around hers, reminding her that they weren't out of the woods yet. Her injuries were superficial, and the most she had to worry about was some scarring. But, despite his and Anandur's reassurances, Brundar might never walk again. If he ended up crippled because of her, she would never forgive herself for getting him involved in her crap. "Are you okay, sweetling? Are you in pain?" Brundar asked. Her injuries were nothing compared to his, and yet he was concerned about her. God, she loved this man. The thing was, if she told him that, he would run off, or crawl away as was the case. Hey, maybe this was the perfect opportunity to spring it on him.

In the fall of 1941, the Philippines was a gardenia-scented paradise for the American Army and Navy nurses stationed there. War was a distant rumor, life a routine of easy shifts and dinners under the stars. On December 8 all that changed, as Japanese bombs began raining down on American bases in Luzon, and this paradise became a fiery hell. Caught in the raging battle, the nurses set up field hospitals in the jungles of Bataan and the tunnels of Corregidor, where they tended to the most devastating injuries of war, and suffered the terrors of shells and shrapnel. But the worst was yet to

come. After Bataan and Corregidor fell, the nurses were herded into internment camps where they would endure three years of fear, brutality, and starvation. Once liberated, they returned to an America that at first celebrated them, but later refused to honor their leaders with the medals they clearly deserved. Here, in letters, diaries, and riveting firsthand accounts, is the story of what really happened during those dark days, woven together in a deeply affecting saga of women in war. Praise for *We Band of Angels* “ Gripping . . . a war story in which the main characters never kill one of the enemy, or even shoot at him, but are nevertheless heroes . . . Americans today should thank God we had such women. ” —Stephen E. Ambrose “ Remarkable and uplifting. ” —USA Today “ [Elizabeth M. Norman] brings a quiet, scholarly voice to this narrative. . . . In just a little over six months these women had turned from plucky young girls on a mild adventure to authentic heroes. . . . Every page of this history is fascinating. ” —Carolyn See, *The Washington Post* “ Riveting . . . poignant and powerful. ” —The Dallas Morning News Winner of the Lavinia Dock Award for historical scholarship, the American Academy of Nursing National Media Award, and the Agnes Dillon Randolph Award
