**THE PRINCESS AND THE GOBLIN** Velvet

" [A] little-known fairy tale that's full of girl power . . . An accidentally feminist work of children's literature." —Bustle A great influence on Lewis Carroll, J. R. R. Tolkien, and Madeleine L'Engle, Scottish author George MacDonald wrote this beloved fantasy in 1872. Princess Irene is given a magical ring by her great-great-grandmother, who lives in a secret room in her father's palace. Curdie, a boy who works in the mines, learns that the goblins who live underground intend to kidnap Irene and marry her off to the goblin prince. As events unfold, a thread attached to Irene's ring connecting her to Curdie may be the only thing that will bring them both safely home . . . "A rich, vibrant tale." —Star Tribune "The Princess and the Goblin and The Princess and Curdie are two of the most unusual and haunting fairy tales ever written." —The Guardian

Muffin Top Entangled: Teen

Eight-year-old Princess Irene lives a lonely life in a wild and desolate country full of mountains and valleys. Her father's palace, built upon one of the mountains, was very grand and beautiful. The princess was born there, but, soon after her birth, she was sent away to be brought up by country people in a large house, half castle, half farm-house, on the side of another mountain, about halfway between its base and its peak. Her father the king is normally absent attending to affairs of state, and her mother is dead. Irene has never known about the existence of the goblins which lurk in the underground mines, but her nursemaid Lootie does know about them. These goblins are grotesque and hideous beings, who centuries ago were human, but due to various reasons, they were driven underground and became malformed and distorted by their new lifestyle. This caused them to despise the humans above the ground and vow revenge against them. When the peaceful kingdom is menaced by an army of monstrous goblins, intent of revenge, the brave and beautiful princess Irene joins forces with, Curdie, a resourceful peasant boy to rescue the noble king and all his people. The lucky pair explore the mines and battle the evil power of the wicked goblin prince armed only with the gift of song, the miracle of love, and a magical shimmering thread given to her by a beautiful lady who lives in the attic of the great house. But just who is this beautiful lady and what does she want? An ideal story for young princes and princesses aged 6 to 12 who are still enamoured by the world of fairydom and whose imaginations will still run riot with the beautiful descriptions in this wonderful volume. A story of adventure, compassion and rescue in the face of uneven odds, it also contains 8 colour plates by the artist Jessie Willcox Smith which will only help fire young imaginations even further.

A man with exceptional talent He knew all about her history and scrutinized her every move because of it. But there was more than suspicion lurking in those luscious green eyes. Even with all the strange occurrences at the school, the most unsettling of all is the attraction pulling Olivia and Gareth together with a force that cannot be denied.
