Kissing in the Dark (Grayson Brothers) E.J. King

"Fuck, baby. You can't say things like that to me. I want to, also. Trust me." His hand snakes down my body until he enters two of his fingers into my wet center. I can only moan in response. "However," he kisses my neck possessively, finding the right spot to drive me crazy. "I need to build you up to that." He pushes his fingers in and out of me, hitting deeper and deeper as his strokes become longer and harder and faster. "You feel that? My fingers deep in your pussy that's dripping for me?" He licks the side of my neck as my breaths come out in short pants. "My dick is going to stretch you out so much more. When I finally fuck you, you're going to be sore for days. And you're going to love it." ----- Thea Brooks, an 18-year-old college student, lives her life by a schedule. She has school, homework, her job at the Coffee shop where she drinks way too much caffeine to be healthy, and the rest of the time she is watching her little sister while her mother is at work. She thinks that everything will remain the same as she starts her college classes, but that all changes when a new friend of hers introduces her to an attractive guy that she can't seem to get out of her head. Grayson Dark, a 22-year-old Alpha of his pack, has been searching for his mate since he turned 16. All hope is lost until one of his pack mates strolls into his home with the most magnificent scent- his mate's scent. Does the perfect kiss exist? This smart and funny modern romance explores the pleasures and perils of love. A great book for fans of romantic reads like *To All the Boys I've Loved Before* by Jenny Han. Evangeline Logan wants a kiss. Not just any kiss—a "crimson kiss," like the one in a romance novel she's become obsessed with. But the path to perfection is paved with many bad kisses—the smash mouth, the ear licker, the "misser," the tentative tight lipper. The phrase 'I don't kiss and tell' means nothing to the boys in her school. And worse: someone starts writing her name and number on bathroom walls. And worst of all: the boy she's just kissed turns out to be her best friend's new crush. Kissing turns out to be way more complicated than the romance novels would have you believe . . .
