Werewolf Kitty Norville and her mate Ben face-off against werewolf-hating bounty hunters -- on their honeymoon, no less -- in this suspenseful follow-up to *Kitty and the Silver Bullet*. Already the alpha pair of Denver's werewolf pack, Kitty and Ben are planning to tie the knot human-style by eloping to Vegas. Kitty is looking forward to sipping fru-fru drinks by the pool and doing her popular radio show on live TV -- but her hotel is stocked with werewolf-hating bounty hunters. Elsewhere on the Strip, an old-school magician might be wielding the real thing; the vampire community is harboring a dark secret; and the irresistible star of a suspicious

animal act is determined to seduce Kitty. Sin City has never been so wild, and this werewolf has never had to fight harder to save not only her wedding, but her very life.

The Guest Book Macmillan Can you be too cute for your own good? Sadly, the answer is yes. In a world where kittens and humans coexist, several talented kittens with skills in architecture,

construction, engineering, and plumbing have discovered that nobody will take them seriously in the workplace because they are just too darned adorable. So the kittens take matters into their own hands, and form their own all-feline firm: the Kitten Construction Company! They're going to build the best mayor's mansion the city has ever seen . . . just as soon as they can stop chasing laser pointers. With adorable art and a hilarious, pun-filled story,

Examines "the most [common] behavioral issues that cats face"-- Kitty and The Midnight Hour Turtleback I am Meredith Gentry, princess and heir apparent to the throne in the realm of faerie, onetime private investigator in the mortal world. To be crowned queen, I must first continue the royal bloodline and give birth to an heir of my own. If I fail, my aunt, Queen Andais, will be free to do what she most desires:

install her twisted son, Cel, as monarch . . . and kill me. My royal guards surround me, and my best loved – my Darkness and my Killing Frost – are always beside me, sworn to protect and make love to me. But still the threat grows greater. For despite all my carnal efforts, I remain childless, while the machinations of my sinister, sadistic Queen and her confederates remain tireless. So my bodyguards and I have slipped back into Los

Angeles, hoping to outrun the gathering shadows of court intrigue. But even exile isn't enough to escape the grasp of those with dark designs. Now King Taranis, powerful and vainglorious ruler of faerie's Seelie Court, has leveled accusations against my noble guards of a heinous crime – and has gone so far as to ask the mortal authorities to prosecute. If he succeeds, my men face extradition to faerie and the hideous penalties that await them there. But I know that Taranis's charges are baseless, and I sense that his true target is me. He tried to kill me when I was a child. Now I fear his intentions are far more terrifying. Kitty and the Dead Man's Hand HarperCollins Kitty's owners are home with a big surprise for Kitty. But what is it? Kitty, reeling in horror, thinks it's a . . . dog. The neighbor cats are convinced it's a cat. But we all know that it's really a BABY! With Nick Bruel's trademark mix of antic humor (this time involving a Kitty game show and the Kitty Olympics—which the baby wins hands down), riotous illustrations, total mayhem, and Uncle Murray Fun Facts, this may be the funniest Kitty book yet, and the one that hits closest to home. *Bad Kitty Meets the Baby* is the winner of the 2012 Children's Choice Book Awards for Third to Fourth Grade Book of the Year. *Straying from the Path* Tor Books

Abby and I were fused, you see. Conjoined twins. Abby's head, torso, and left arm protruded from my chest. But here's the real kicker; Abby had the magic, I didn't. Far as the Family was concerned, Abby was one of them, though cursed, as I was, with the tragic flaw of mortality. Now adults, Makeda and Abby still share their childhood

home. The surgery to separate the two girls gave Abby a permanent limp, but left Makeda with what feels like an even worse deformity: no mojo. The daughters of a celestial demigod and a human woman, Makeda and Abby were raised by their magical father, the god of growing things--a highly unusual childhood that made them extremely close. Ever since Abby's magical talent began to develop, though, in the form of an unearthly singing voice, the sisters have become increasingly distant. Today, Makeda has decided it's high time to

move out and make her own life among the other nonmagical humans--after all, she's one of them. In Cheerful Rest, a run-down warehouse space, Makeda finds exactly what she's been looking for: an opportunity to live apart from Abby and begin building her own independent life. There's even a resident band, led by the charismatic (and attractive) building superintendent. But when her father goes missing, Makeda will have to discover her own talent--and reconcile with Abby--if she's to have a

Patricia Campbell 's life has never felt smaller. Her husband is a workaholic, her teenage kids have their own lives, her senile mother-in-law needs constant care, and she 's always a step behind on her endless to-do list. The only thing keeping her sane is her book club, a close-knit group of Charleston women united by their love of true crime. At these meetings they 're as likely to talk about the Manson family as they

are about their own families. One evening after book club, Patricia is viciously attacked by an elderly neighbor, bringing the neighbor's handsome nephew, James Harris, into her life. James is well traveled and well read, and he makes Patricia feel things she hasn 't felt in years. But when children on the other side of town go missing, their deaths written off by local police, Patricia has reason to believe James Harris is more of a Bundy than a Brad Pitt. The real

The Old Man and The Cat is a story of how Nils Uddenberg, retired

Professor of Psychology became a beloved cat-owner even though he had never wanted a pet of any kind. One winter morning the author discovered a cat—whom he would later find was homeless—sitting outside this bedroom window, staring at him with big yellow eyes. Slowly but surely the cat worked itself into his life. This award-winning writer who has a background in psychology could not stop himself from going deeper into the cat's inner life.

Does she have a sense of humor? Is it possible to attach human feelings to her? And the trickiest question of all: Is our little cat actually interested in our attachment to her? With humor and self-awareness, Nils describes how his existence changed after the cat moved into his house. The feelings she stirs up are a surprise to him and he quickly finds himself falling in love with this speckled grey-brown little lady.

The Old Man and the Cat HarperCollins Red Wine and Words is a collection of 16 short stories that will take you on an intoxicating journey through the darkness in life and up those elusive little streams of light. The unforeseen, the unpredictable, love, loss, horror and fantasy all await within. Though rich and varied in theme, throughout the stories is the underlying principal

that sometimes the line between reality and the mysterious can blur, creating a place where what-if's reign supreme. A worldwide conspiracy revealed, a biblical apocalypse wrought; a vengeful imaginary friend, and one not so vengeful but with just as harrowing consequences; an unlikely hero, and an unwilling one; an ancient Egyptian curse, a malevolent Indian spirit - these are just

some of the characters and themes you will rub shoulders with in this eclectic collection. With her debut collection, Emma Ennis invites you to raise a glass in a toast to the unknown, and see if Red Wine and Words doesn't make you question the threads in your carefully woven blanket of beliefs. Kitty and the Moonlight Rescue Nancy Paulsen Books

Talk radio host and celebrity werewolf Kitty Norville has agreed to appear on TV's first all-supernatural reality show. What she's expecting is cheesy competitions and manufactured drama starring shapeshifters, vampires, and psychics. But what begins as a

publicity stunt is all too quickly turning into a fight for her life. Kitty and her fellow housemates arrive at the remote mountain lodge where the show is set, but no sooner does filming start when violence erupts. It doesn't take Kitty long to suspect the show is nothing more than a cover for some nefarious plot. Then the cameras stop rolling, cast members start dying, and Kitty learns she and her monster housemates are not battling for a prize:

they are, ironically enough, themselves the ultimate prize, in a very different game. Stranded with no power, no phones, and no way to know who can be trusted, she must find a way to defeat the evil closing in ... before it kills them all.
