Clymer Manuals Kawasaki  
KLR650 2008-2017  
M240-2

This manual is for the  
person interested in  
maintaining or repairing  
their KLR 650 or just  
knowing a lot more about it.  
The manual contains great  
detail in the tables, write-ups  
and pictures for the bike.  
Lots of great data to take on

any job if you have the tools  
and have some mechanical  
skills to handle it.

Clymer Manual | Kawasaki  
KLR Forum

I noticed the Clymer manual is  
listed for 2008-12. I was thinking  
about getting one but I have a  
15'. Is everything basically the  
same other than suspension,  
springs, or fork oil. These  
manuals are far cheaper than  
OEM. Just wanted to make sure  
the torque settings are the same  
for later models, like the  
tire/brake assembly torque  
values, etc.
