At a crossroads between a cringe-worthy past (Todd the Toad) and an uncertain future (she's not exactly homeless, but it's close), Lucy Swift travels to Oxford to visit her grandmother. With Gran's undying love to count on and Cardinal Woolsey's, Gran's knitting shop, to keep her busy, Lucy can catch her breath and figure out what she's going to do. Except it turns out that

Gran is the undying. Or at least, the undead. But there's a death certificate. And a will, leaving the knitting shop to Lucy. And a lot of people going in and out who never use the door—including Gran, who is just as loving as ever, and prone to knitting sweaters at warp speed, late at night. What exactly is going on? When Lucy discovers that Gran did not die peacefully in her sleep, but was murdered, she has to bring the killer to justice without tipping off the law that there's no body in the grave. Between a hot 500-year-old vampire and a dishy detective inspector, both of whom always seem to be there for her, Lucy finds her life getting more complicated than a triple cable cardigan. The only one who seems to know what's going on is her cat ... or is it ... her familiar? First in a new series of paranormal cozy mysteries!

“A book about wool and sheep, the making of Scotland, England and farming, textile manufacture, folklore and, crucially, the essential craft of knitting.” —Janice Galloway, author of *Jellyfish* Over the course of a year, Esther Rutter—who grew up on a sheep farm in Suffolk, and learned to spin, weave and knit as a child—travels the length of the British Isles, to tell the story of wool's long

history here. She unearths fascinating histories of communities whose lives were shaped by wool, from the mill workers of the Border countries, to the English market towns built on profits of the wool trade, and the Highland communities cleared for sheep farming; and finds tradition and innovation intermingling in today's knitwear industries. Along the way, she explores wool's rich culture by knitting and crafting culturally significant garments from our history—among them gloves, a scarf, a baby blanket, socks and a fisherman's jumper—reminding us of the value of craft and our intimate relationship with wool. This *Golden Fleece* is at once a meditation on the craft and history of knitting, and a fascinating exploration of wool's influence on our landscape, history and culture.

“Wondrous.” —BBC Countryfile “A yarn well told.” —The Irish Times “A compelling literary journey through the social history of wool in the British Isles.” —Karen Lloyd, author of *The Gathering Tide* “[Rutter's] stops on her journey around Britain also knit together the past and the present, the social, historical and the personal, in an altogether engaging way.” —Books from Scotland

Go bold with gorgeous color blocking and graphic knitting projects. *Graphic Knits* is a collection of 20 patterns featuring modern colorwork inspired by geometric motifs. Fresh and bold, the knitting projects are created by an up-and-coming design star. Author Alexis Winslow makes use of color-knitting techniques such as stripes, Fair Isle, intarsia, and slipped stitches. With each knitting pattern, she demonstrates how to use these techniques to create visually appealing garments. Flattering silhouettes expertly integrate vibrant colorwork or graphic detail for maximum effect. These two elements--shape and pattern--engage in a playful and mutually flattering

relationship across each knitting pattern. Many of the 20 pieces have unexpected, modern details: an oversized, chunky cable scarf is given vivid personality through color blocking. A shapely sweater sports a pretty pattern around the collar--but instead of a traditional Scandinavian motif, bright polka dots create something fresh and new.
