Stone Barrington must track down an enemy intent on disturbing law and order in the latest action-packed thriller from the #1 New York Times bestselling author. Upon returning from a dangerous coastal adventure, Stone Barrington is looking forward to some normalcy with the leading lady in his life. But when a grisly crime arrives on his doorstep, along with some suspicious new clients eager for his help, Stone realizes peace and quiet are no longer an option. As it turns out, the mastermind behind the malfeasance rocking New York City and the nation's capital wields a heavy hand of influence. And when Stone is unable to recruit those closest to the case to his side, he is left with few leads and a handful of dead-ends. But with the help of important people in high places--and the expertise of alluring new friends--Stone is more than ready to rise to the occasion.

## Shakeup Entangled: Amara

"What?" Naomi gasped. "I'm not going anywhere with you!" Alaric could already scent two more witches approaching her apartment. Whatever she'd done had clearly been an accident; he couldn't rely on her magic. They had to get out of here. She flinched as he reached down to cup her face, gazing into her eyes. "Sorry about this," he murmured, as he probed her mind. Her thoughts were frantic, moving at an impossible speed. All will be well, he told her silently. Rest now. "What—what are you—" she whispered, as her eyes drooped. She slumped forward into his arms. Cradling her, he moved over to the window, and leapt out.

\*\*\* Alaric, a centuries-old vampire, lives a solitary life by choice. When he 's assigned to protect Naomi, long dormant emotions stir to life. Naomi Feldman has never understood the strange energy that hums beneath her senses. But when she comes across an ancient artifact that seems to beckon to her, she may finally find the answers she's been seeking. Pursued by a dangerous enemy and battling their growing attraction, Naomi and Alaric follow the mystery of the artifact from the museums of Athens, the streets of London, towards a confrontation that will decide the fate of two worlds... Tumor biology varies at different subsites in the oral cavity, and

therefore carcinoma of the gingivo-buccal sulcus (also known as Indian cancer) behaves differently from carcinoma of the tongue. Oral cancer is very often diagnosed at an advanced stage with neck metastasis, and most cases have a guarded prognosis. Loco-regional recurrences are frequent and morbidity following treatment is considerable. However, results have improved in recent years, particularly in early and certain advanced stages, due to better imaging and case selection, improved surgical techniques, including those for reconstructive surgery, a multidisciplinary team approach and a better understanding of tumor biology and prognostic factors. This book comprehensively and systematically reviews all these aspects of diagnostic and therapeutic advances in oral cancer, particularly discussing early detection, epidemiology, chemoprevention and current research. Written by specialists who are active leaders in basic sciences or clinical fields, the chapters address individual and collective issues in managing patients with oral cancer, and provide insights into various treatment approaches. The authors share their knowledge and experience and provide extensive literature sources to encourage clinicians to be flexible, innovative and help them make the best, educated decisions for individual patients.

Spanning more than two centuries in Ireland, Castle on the Rise unites the legacy of three women who must risk mending their broken places for life, love, and the belief that even through the depths of our pain, a masterpiece of a story can emerge. When Laine Forrester travels overseas to attend her best friend's vineyard wedding, she expects to find the bride on the brink of a fairy-tale life. But after a series of unforeseen setbacks, it seems the storybook lives they'd imagined are suddenly ripping apart. With hopes of resurrecting a happy ending, Laine agrees to accompany the newlyweds to the groom's home in Ireland—never expecting she'd be the one drawn in by its wide-open moors, backroads bordering the Irish Sea, and a mysterious castle that dares to keep its secrets hidden. From the storied streets of Dublin to the shores of the Emerald Isle, Laine is drawn in to the land and its rich history. The castle ruins whisper stories of Issy—a photojournalist battling through the 1916 Easter Rising, and Maeve—the castle's lady of legend, fighting for survival through the 1798 rebellion that started it all. Praise for Castle on the Rise: "Enchanting and mesmerizing!" —PATTI CALLAHAN, New York Times bestselling author of Becoming Mrs. Lewis "Castle on the Rise perfectly showcases rising star Kristy Cambron's amazing talent! Perfect pacing, lovely prose, and an intricate plot blend together in a delightful novel I couldn't put down. Highly recommended!" —Colleen Coble, USA TODAY bestselling author of Secrets at Cedar Cabin and the Rock Harbor series "Cambron's latest is one of her best. Gripping and epic, this intricately woven tale of three generations seeking truth and justice will stay with you long after the last page." —Rachel Hauck, New York Times bestselling author Second in the Lost Castle series (The Lost Castle, Castle on the Rise, The Painted Castle) Can be read as a stand-alone, but best if read in order Sweet romance set in three time periods: present day, World War I/Easter Rising, and late 1700s Full-length novel (over 110,000 words) **The Aussie Next Door** L.D. The Mammography Quality Control Manual, developed by the ACR Committee on Quality Assurance in Mammography, is designed to help mammography facilities establish and maintain a quality control program. Included in the set are four sections, one

each for radiologists, radiologic technologists, medical physicists, and a new section on clinical image quality. Each section describes step-by-step instructions on equipment testing, performance criteria, and patient positioning. All tests comply with the new MQSA regulations, which went into effect April, 1999. The manual also seeks to define the areas of responsibility for each of the professionals involved in this important health care field. This book is a critical interdisciplinary approach to the study of contemporary visual culture and image studies, exploring ideas about space and place and ultimately contributing to the debates about being human in the digital age. The upward and downward pull seem in a constant contest for humanity's attention. Both forces are powerful in the effects and affects they invoke. When tracing this iconological history, Amanda du Preez starts in the early nineteenth century, moving into the twentieth century and then spanning the whole century up to contemporary twenty-first century screen culture and space travels. Du Preez parses the intersecting pathways between Heaven and Earth, up and down, flying

and falling through the concept of being "spaced out". The idea of being "spaced out" is applied as a metaphor to trace the visual history of sublime encounters that displace Earth, gravity, locality, belonging, home, real life, and embodiment. The book will be of interest to scholars working in art history, visual culture, media and cultural studies, phenomenology, digital culture, mobility studies, and urban studies.

To The Rude Guy in Apartment Five, I'm glad you're happy to have moved into a new apartment, but no: I do not want to have a beer with you. I do not want to have a nude sleepover. I do not want to make you breakfast, lunch or dinner, no matter how many lap dances you promise to give me. I do not need you to serenade me through the walls at lam. And no, I have no interest in letting you take me on a date. Sincerely, Magnolia Allen P.S. And no, I do not want to know how many accents you can growl in during intimate moments. How is that even a thing? P. P. S. Also, you will never find me standing naked in your living room ever again, so please stop leaving lingerie packages on my welcome mat.

She's running for her life. He's the safe haven she never expected to find. The holiday season is about to get HOT. Hiding out for the holiday season in the heart of the South? Not something that Haley Quick ever expected to have on her to-do list but then...she never expected her ex to want her dead, either. Turns out, life is full of surprises. Time to deal. Haley has ditched New York for a crazy little dot on the map known as Point Hope, Alabama. It's a town gone extra crazy for the holidays, and Haley is sticking out like a sore thumb with her very much Grinch-self. But enter sexy sheriff Spencer Lane...Tall, muscled, and made with an extra dose of sex appeal, he is exactly the kind of man that Haley should be avoiding. He's charming, he looks way too good in a Santa hat, and, oh, yes, he's her new landlord. The hits just keep coming. She can't afford to let Spencer learn all of her secrets, a tough job since she is living with the man. No sex, though. It's purely a business relationship. Except...the holidays in the South sure do get HOT. Or maybe that's just sexy Spencer. Usually, Haley falls for the bad guy. It's the whole reason she's running for her life. She can't help but wonder...What would it be like to fall for a man like Spencer? He just got his Christmas wish. Sheriff Spencer Lane can't believe his luck. The most beautiful, fascinating woman he's ever seen has just dropped into his life like a gift from, well, the big guy in red. Only the problem is that Haley seems to think Spencer is some by-the-book, nice guy. Probably because of the badge. And if she wants him to be the hero, that's a role that he's happy to play for her. But the truth is, Spencer has plenty of darkness inside, too. An ex Navy SEAL, he knows how to get sh-um, stuff done. He also knows how to be very, very naughty. When danger threatens his Haley, all bets are off. No one is going to hurt her. No one is going to threaten her. Not in his town. Not on his watch. The nice guy will show Haley just how bad he can be. Fake snow, a parade of wild elves, and a stalker ex don't make for the merriest of times, but in Point Hope, anything can happen—and it usually does. Ready for a steamy story that will get you in the ho-ho-ho spirit? Settle back, curl up with Spencer, and have yourself a jolly old time.

Eliza Knight's bestselling Scottish historical romance series, The Stolen Bride Series, is back with another amazing tale of adventure, passion and love! Ceana Montgomery had notions of marrying for love after her first disastrous marriage ended in widowhood. But now Robert the Bruce has ordered her to marry a stranger, securing a strong alliance and ending a decades-old

feud. Already used as a pawn once in marriage, she is devastated that she will once more have to give up her happiness in order to please the edicts of men. And while the braw warrior standing before her might incite feelings inside her she thought long since buried, desire is a far cry from love. The rivalry between Brochan Lamont and his twin brother, John, began in the womb, and only grew worse from there. They were pitted against each other in childhood, and their father left them with a legacy that was a race to the finish—whoever has an heir first inherits the lands. The only problem is that Brochan has given his loyalty to the Scots, and his brother to the English. In order to keep the lands and ships under Scottish control, Robert the Bruce demands Brochan marry to break the iron-clad will. His new bride harbors a fiery temperament that lures Brochan into stoking her passions instead of her ire. Aligned to strengthen the Scottish claims on the realm, Brochan and Ceana must work together to overcome the obstacles that bind them. But perhaps seeing their duties through does not have to be as painful as they both predicted. Is it possible that love can be forged from a union born in alliance? Maybe Fate knew all along just who was meant for who...

Angie Donovan has never wanted much. When you grow up getting bounced from foster home to foster home, you learn not to become attached to anything, anyone, or any place. But it only took her two days to fall in love with Australia. With her visa clock ticking, surely she can fall in love with an Australian—and get hitched—in two months. Especially if he's as hot and funny as her next-door neighbor... Jace Walters has never wanted much—except a bathroom he didn't have to share. The last cookie all to himself. And solitude. But when you grow up in a family of seven, you can kiss those things goodbye. He's finally living alone and working on his syndicated comic strip in privacy. Sure, his American neighbor is distractingly sexy and annoyingly nosy, but she'll be gone in a few months... Except now she's determined to find her perfect match by checking out every eligible male in the town, and her choices are even more distracting. So why does it suddenly feel like he—and his obnoxious tight-knit family, and even these two wayward dogs—could be exactly what she needs?
