Life of Napoleon Bonaparte Harlequin

With over one million copies sold, this series of modern classics about the charming Penderwick family, from National Book Award winner and New York Times bestseller Jeanne Birdsall, is perfect for fans of Noel Streatfeild and Edward Eager. Springtime is finally arriving on Gardam Street, and there are surprises in store for each member of the family. Some surprises are just wonderful, like neighbor Nick Geiger coming home from war. And some are ridiculous, like Batty 's new dog-walking business. Batty is saving up her dog-walking money for an extra-special surprise for her family, which she plans to present on her upcoming birthday. But when some unwelcome surprises make themselves known, the best-laid plans fall apart. Filled with all the heart, hilarity, and charm that has come to define this beloved clan, The Penderwicks in Spring is about fun and family and friends (and dogs), and what happens when you bring what's hidden into the bright light of the spring sun.

English spy Andrew Truesdale has been sent to Florence on a mission--to befriend widowed contessa Olivia di Montebaldi and discover if she's plotting a nationalist revolution in the aftermath of Napoleon's defeat. Andrew expects the assignment to be easy. After all, his job with the British Diplomatic Corps required him to perfect the art of flirtation and become a consummate seducer of women. Everything changes, however, when he arrives at Olivia's villa. Instead of the middle-aged woman he expects, Andrew finds a vivacious young beauty who piques his interest...and his lust. But while Andrew may be taken aback by the contessa, Olivia knows exactly who Andrew is...and that he is dangerous. She may let him claim her body, but can she trust him with her secrets?

If you need a book wherein you can use for free-form writing, or even drawing, then this is the perfect tool for you to express yourself without limitations. It's a good opportunity for children to write freely and teaches them to become more conscious of placing the print on the page rather than just filling up the lines. This is ideal for free-form journaling or sketching, note taking, drawing, doodling, among endless possibilities.
