What comes plain, but is also very useful? An unruled composition book! It has unruled pages, free of lines and has no visual distractions to worry about. If you need a book wherein you can use for free-form writing, or even drawing, then this is the perfect tool for you to express yourself without limitations. It's a good opportunity for children to write freely and teaches them to become more conscious of placing the print on the page rather than just filling up the lines. This is ideal for free-form journaling or sketching, note taking, drawing, doodling, among endless possibilities.

Napoleon's defeat. Andrew expects the assignment to be easy. After all, his job with the British Diplomatic Corps required him to perfect the art of flirtation and become a consummate seducer of women. But while Andrew may be taken aback by the contessa, Olivia knows exactly who Andrew is...and that he is dangerous. She may let him claim her body, but can she trust him with her secrets?
