Now a major Lifetime movie event—Book Four of the Dollanganger series that began with *Flowers in the Attic*—the novel of forbidden love that captured the world's imagination and earned V.C. Andrews a fiercely devoted fanbase. They escaped their mother's hellish trap years ago, but a cruel history of lies and deceit has come full circle... The forbidden love that blossomed when Cathy and Christopher were held captive in Foxworth Hall is one the Dollanganger

family's darkest secrets. Now, with three grown children and even a new last name, the pair seem to have outlived a twisted legacy. But on their son Bart's twenty-fifth birthday, when the spiteful and disturbed young man claims his rightful inheritance, the full, shattering truth of their tainted past will be revealed at Foxworth Hall—the place where the nightmare began, and where Christopher and Cathy were once just innocent flowers in the attic...

She might think she's captured the wolf, but in the end, he'll take her heart. Brody is a soldier who misses the excitement of the military and its missions. He retired to work as clan beta in Kodiak Point. Talk about boring, until he's captured by a foreign enemy. Him, a prisoner? Not for long. This wolf will do anything in order to get away—even if it involves seduction. First step in plotting his escape: pretend interest in a woman. But Layla isn't just any woman. She's special. Not human. Not shifter. He doesn't know what this exotic lady is other than his. A prisoner for years, Layla isn't sure what to make of the enemy who shares a cell with her. He promises her hope, but that would involve trust. Despite her doubts, she can't help but be drawn to him. Unacceptable which means she does her best to drive him nuts. Working together, can they escape the clutches of the enemy? And do they dare fall in love? Welcome to Kodiak Point, where the wildlife might wear clothes, but animal instinct rules the heart. # 1 Kodiak's Claim , #2 Outfoxed by Love, #3 Polar Bared , #3.5 Caribou's Gift, #4 Wolf's Capture, #5 Grizzly Love Genre: paranormal romance, werewolf romance, shapeshifter romance, fantasy romance, alpha male, bear romance, military romance, humorous romance, comedy romance, Alaska romance

Halo: Oblivion Skyhorse

Discover a new outlook on the process of life—and improve your health as a result In *Intended Evolution*, authors Dongxun and Bob Zhang introduce a different perspective on the theory of evolution: Life is not only selected by nature but intentionally interacts with it, learning how to better its future. They explain that applying this idea to generally accepted principles of biology can have startling results in your ability

to affect your own health—and even your evolution. According to the theory of intended evolution, organisms gather information through sensory experience and use that knowledge to effect change in themselves and their environments. The authors propose that organisms use this saved information to make choices projected to enhance their survival. It is through experience, choices, and action, within a given environment, that life changes itself from moment to moment and determines what changes are needed for future generations. Because of humans' unique ability to understand how our own evolution functions, we can effect changes within ourselves to influence and enhance our health and fitness, even to lengthen our lifespan.

A Hero with Attitude...and Antlers Damn it, a man had his pride and a caribou a certain majestic presence, all of which could wind up ruined if he abased himself to play a simple-minded reindeer in the town's Christmas parade. No way was he wearing damned tinsel in his antlers. Like hell was he sporting a red nose and pulling a sleigh. But he changes his mind when he meets the woman in charge of the event. Single mom, Crystal, is doing her best to offer her daughter the best Christmas ever. It's their first in Kodiak Point, and she's not about to let some vain jerk ruin it for her little girl. If playing dirty is what it takes...then bring on the Christmas games. As Crystal and Kyle butt heads—and lips—they discover more than goodwill this holiday season. They're gifted with a second chance at love. The Deer and the Tiger is Schaller's detailed account of the ecology and behavior of Bengal tigers and four species of the hoofed mammals on which they prey, based on his observations in India's Kanha National Park. "This book is a

treasure house of biological information and it is also a delight to read. . . . Excellent photographs accompany the text."—Robert K. Enders, American Scientist "The one book that has been my greatest source of inspiration is The Deer and the Tiger by George Schaller, based on the first ever scientific field study of the tiger. . . . This book is written by a scientist, but speaks from the heart. . . . It reveals startling information on feeding habitats, territorial behaviour, and the nuances that make up the language of the forest; you become totally immersed in the world of the tiger. . . . For all of us who work in tiger conservation, this book is the bible."—Valmik Thapar, BBC Wildlife

A scifi alien romance with fated mates on an aphrodisiac planet I've crash landed on a sex planet with my worst enemy. He's a brooding, gold alien—a commander who destroyed my ship and half my crew. I should want to kill him. But everything on this planet is an aphrodisiac. So I just want to have him. Now. "Revenge--that's all he wants with me. He's hated humans for more than a century, ever since we tried to destroy his kind." I'm the last person he should want, but the desire the sex planet stokes in both of us is eating us alive. Resisting his hands, his mouth, and his vampiric fangs proves impossible. I can't help begging him to touch me. I have no idea what endless sex with his kind will do to me, but there are rumors. I have to get off this planet before I find out if it's true—before he makes me his mate. For life.

A River Never Sleeps Gallery Books NATIONAL BESTSELLER • "Steven Pressfield brings the battle of Thermopylae to brilliant life."—Pat Conroy At Thermopylae, a rocky mountain pass in northern Greece, the feared and admired Spartan soldiers stood three hundred strong. Theirs was a suicide mission, to hold the pass against the invading millions of the mighty Persian army. Day after bloody day they withstood the terrible onslaught, buying time for the Greeks to rally their forces. Born into a cult of spiritual courage, physical endurance, and unmatched battle skill, the Spartans would be remembered for the greatest military stand in history—one that would not end until the rocks were awash with blood, leaving only one gravely injured Spartan squire to tell the tale. . . .

A Master Chief story and original full-length novel set in the Halo universe—based on the New York Times bestselling video game series! 2526. It has been more than a year since humanity first encountered the hostile military alliance of alien races known as the Covenant, and several weeks after the United Nations Space Command's devastating counterattack of Operation: SILENT STORM was deemed an overwhelming success. The UNSC has put its faith in the hands of the Spartans, led by the legendary Master Chief, John-117: enhanced super-soldiers raised and trained from childhood via a clandestine black ops project to be living weapons. But the Covenant—enraged and fearful of their enemy's unexpected strategies and prowess—is not taking its recent defeat lightly, and is now fully determined to eradicate humanity from existence, brutally overrunning the ill-fated planets of the Outer Colonies faster than retreats can be ordered. If the UNSC has any chance of stemming the tide of the war, the Master Chief and Blue Team must drop onto an empty, hellish world in order to capture a disabled Covenant frigate filled with valuable technology. It has all the makings of a trap, but the bait is far too tempting to ignore—and this tantalizing prize is being offered by a disgraced and vengeful Covenant fleetmaster, whose sole opportunity for redemption lies in extinguishing humanity's only hope of survival...

A Big Bear Romance He might growl,

but she's not afraid to bite. Hands full taking care of his clan, the last thing this Kodiak bear needs is a woman poking her cute little nose into his affairs. But when she refuses to back down—and shows the courage to stand up to him—he can't resist the allure of a curvy city girl. She's mine. All mine. And when a rival clan thinks to use her to force his paw, he'll show them why you never piss off a Kodiak, or threaten what's his. Tammy is convinced all men are scum, even gorgeous ones like Reid Carver. She knows he's hiding something. Something big. She just never expected a real freaking bear hid underneath all those yummy muscles. But when the truth comes out and he tries to scare her off with a roar, she shows him not just bears have bite. Beyond the Bear Simon and Schuster

A USA Today Bestseller with an Anti-Hero When Vicky accidentally slides into the side of a polar bear, she doesn't expect to fall in love. Eaten yes, perhaps used as a chew toy, but become the object of a bear's affection and lust? Crazy! Almost as crazy as the fact the polar bear turns out to be a man. A sexy man. A man who growls, and roars and does everything he can to chase her away. Only to come back. Poor Gene. After the pain and betrayal he suffered in the war all he wants is vengeance against the brothers who left him behind. But he's confused when instead of wanting to punish him for his evil acts, they offer him forgiveness. As if that weren't annoying enough, the cutest geek he ever met—with caramel kissed skin covering a lush, rounded figure and wearing the sexiest dark rimmed glasses—won't leave him alone. Or more like, he can't seem to stop following her. And it isn't just because someone is out to hurt her. He wants her. But does he want her more than vengeance?
