When two men, recently discharged from the air force, set out for a hunting trip on Kodiak Island in Alaska, they expect the adventure of a lifetime. Instead, they find themselves embroiled in a never-ending nightmare. More than forty years later, biologist Jane Marcus and her friends discover human remains near Karluk Lake in the middle of the Kodiak National Wildlife Refuge. Jane soon learns a bullet was responsible for shattering the skull they found. What happened? Was the gunshot wound the result of a suicide, or was it homicide? Who was this individual who died in the middle of the wilderness, and when did he die? Jane can't stop asking questions, and she turns to Alaska State Trooper Sergeant Dan Patterson for answers. Sergeant Patterson doesn't have time for Jane and her questions because he is investigating the recent murder of a floatplane pilot on the island. Was the pilot shot by one of his passengers, by another pilot, by campers in the area where his body was found, or did his wife hire someone to kill him? The number of suspects in the case overwhelms Patterson, but a notebook in the pocket of the dead pilot provides clues to the last weeks of the pilot's life. With no time to spare for old bones, Patterson gives Jane permission to research the remains she found near Karluk Lake. Jane's investigation into the bones seems harmless to Patterson, but she awakens a decades-old crime which some believed they'd buried long ago. Will Patterson find who murdered the pilot before the killer leaves the island, and will Jane's curiosity put her life in danger? What evil lurks at Karluk Lake?

WINNER OF THE 2021 PULITZER PRIZE FOR FICTION NEW YORK TIMES BESTSELLER WASHINGTON POST, AMAZON, NPR, CBS SUNDAY MORNING, KIRKUS, CHICAGO PUBLIC LIBRARY, AND GOOD HOUSEKEEPING BEST BOOK OF 2020 Based on the extraordinary life of National Book Award-winning author Louise Erdrich's grandfather who worked as a night watchman and carried the fight against Native dispossession from rural North Dakota all the way to Washington, D.C., this powerful novel explores themes of love and death with lightness and gravity and unfolds with the elegant prose, sly humor, and depth of feeling of a master craftsman. Thomas Wazhashk is the night watchman at the jewel bearing plant, the first factory located near the Turtle Mountain Reservation in rural North Dakota. He is also a Chippewa Council member who is trying to understand the consequences of a new "emancipation" bill on its way to the floor of the United States Congress. It is 1953 and he and the other council members know the bill isn't about freedom; Congress is fed up with Indians. The bill is a "termination" that threatens the rights of Native Americans to their land and their very identity. How can the government abandon treaties made in good faith with Native Americans "for as long as the grasses shall grow, and the rivers run"? Since graduating high school, Pixie Paranteau has insisted that everyone call her Patrice. Unlike most of the girls on the reservation, Patrice, the class valedictorian, has no desire to wear herself down with a husband and kids. She makes jewel bearings at the plant, a job that barely pays her enough to support her mother and brother. Patrice's shameful alcoholic

father returns home sporadically to terrorize his wife and children and bully her for money. But Patrice needs every penny to follow her beloved older sister, Vera, who moved to the big city of Minneapolis. Vera may have disappeared; she hasn't been in touch in months, and is rumored to have had a baby. Determined to find Vera and her child, Patrice makes a fateful trip to Minnesota that introduces her to unexpected forms of exploitation and violence, and endangers her life. Thomas and Patrice live in this impoverished reservation community along with young Chippewa boxer Wood Mountain and his mother Juggie Blue, her niece and Patrice's best friend Valentine, and Stack Barnes, the white high school math teacher and boxing coach who is hopelessly in love with Patrice. In *The Night Watchman*, Louise Erdrich creates a fictional world populated with memorable characters who are forced to grapple with the worst and best impulses of human nature. Illuminating the loves and lives, the desires and ambitions of these characters with compassion, wit, and intelligence, *The Night Watchman* is a majestic work of fiction from this revered cultural treasure.
