Founded in 1921 in Komatsu City, Japan, Komatsu is a global leader in equipment design and manufacturing, and is the second largest manufacturer in the world with 25 plants globally. Our forklifts are designed using our heavy equipment expertise to provide durable and dependable performance throughout their lifetime, providing our customers with greater value through lower costs of operation ...

The easiest way to find your Komatsu forklift's serial number is to check the forklift's nameplate (also called a data tag). This helpful label displays various details about your truck, like its model, its weight, how much it can lift, and more. Most importantly, though, a forklift's nameplate also displays its serial number.
