Student Activities Manual for Treffpunkt Deutsch Kontakte

Your students are changing. Technology is changing. The idea of the classroom is changing. Now, the way your students learn German is changing as well. In preparation for this edition of Kontakte, we conducted extensive research, employing a wide array of research tools including surveys, focus groups, and ethnographic studies to identify the key goals and challenges of the introductory German course. Not surprisingly, communication and cultural competence are among the top goals of the majority of instructors, who are facing the challenges of fewer contact hours, budget cuts, and new course formats that make these goals difficult to achieve. The Seventh Edition of Kontakte continues to offer a truly communicative approach that supports functional proficiency while responding to these changing needs in new and exciting ways. As a direct result of our research, we created Connect German (www.connectgerman.com), a powerful online learning platform that includes the ebook, the online Arbeitsbuch, an audio/video chat feature, and a brand-new video filmed in Leipzig, thereby offering a flexible solution for the evolving introductory German landscape. Enhanced by these powerful new digital tools, the Seventh Edition of Kontakte does the following: Engages students in authentic culture and inspires them to communicate with confidence by providing them with the natural contexts they need to develop their language skills Provides tools for flexibility and easy course administration Achieves consistent results across the different course formats offered: face-to-face, hybrid, and online. *Connect German, including but not limited to the workbook/lab manual, the video program, and chat tools, is sold separately and does not come automatically with the purchase of the textbook.

Stationen Samfundslitteratur

This book is meant to support problem-oriented learning activities. Problem-orientation concerns the reasoning about lack of knowledge, while project work includes the ethno methods that are practised when collectives produce scientific knowledge. This book also concerns particular methods related to sociology and social science and their relations to the humanities, technical knowledge and natural science. The aim of the book is to support students in the process, from their first reflections on a relevant question to the finishing moments of report writing. Different steps and situations in the project work are described (eg: concepts, situations, ideas and tools for reflection that may be relevant throughout the project work). The subtitle -- a workbook -- is meant literary as a book that may be used as collective knowledge situations become recognisable for the users.

The acclaimed creative team of Tom King, David Finch and Mikel Jan’n takes things to a new level as Batman brings the pain to his international opponent, Bane, in Batman: The Rebirth Deluxe Edition Book 2. The Dark Knight has invaded his home, scarred his mind and broken his back. Now Bane has returned to Gotham City for a single purpose: eliminate the Batman once and for all. But first he’ll destroy everyone the Dark Knight has ever lovedÉor loathed. In the wake of this battle, the Batman makes Catwoman an offer that leaves her absolutely speechless. As she considers her answer, the Dark Knight tells her of a secret war from early in his career. It was a time when The Joker and the Riddler would seemingly be natural allies, but each man determined that he and he alone must be the one to kill the Bat...and either would sooner burn down Gotham than be beaten to the punch line. All of Gotham’s villains were forced to choose sides in this stunning battle of wits that quickly escalated into a full-blown warÑcomplete with civilian casualties. In this ÓWar of Jokes and Riddles,Ó only one side could claim victory...but the scars it left shaped Batman’s future. Written by Tom King (Mister

Miracle, The Vision) with art by David Finch (Wonder Woman), Mikel Jan’n (Grayson), Jason Fabok (Justice League), Mitch Gerads (The Sheriff of Babylon), Clay Mann (Action Comics) and more, this latest Rebirth Deluxe Edition features two of the most critically acclaimed arcs in modern comics in hardcover for the first time. Collects Batman #16-32 and Annual #1.
