The Internet Literacy Handbook
Springer Nature
World-renowned Stanford
University psychologist Carol
Dweck, in decades of research on
achievement and success, has
discovered a truly groundbreaking
idea-the power of our mindset.
Dweck explains why it's not just
our abilities and talent that bring us
success-but whether we approach
them with a fixed or growth
mindset. She makes clear why
praising intelligence and ability
doesn't foster self-esteem and lead
to accomplishment, but may
actually jeopardize success. With
the right mindset, we can motivate
our kids and help them to raise
their grades, as well as reach our
own goals-personal and
professional. Dweck reveals what
all great parents, teachers, CEOs,
and athletes already know: how a
simple idea about the brain can
create a love of learning and a
resilience that is the basis of great
accomplishment in every area.
Kontakte Prentice Hall
Your students are changing. Technology is
changing. The idea of the classroom is
changing. Now, the way your students learn
German is changing as well. In preparation
for this edition of Kontakte, we conducted
extensive research, employing a wide array of
research tools including surveys, focus
groups, and ethnographic studies to identify
the key goals and challenges of the
introductory German course. Not
surprisingly, communication and cultural
competence are among the top goals of the
majority of instructors, who are facing the

challenges of fewer contact hours, budget cuts, and new course formats that make these goals difficult to achieve. The Seventh Edition of Kontakte continues to offer a truly communicative approach that supports functional proficiency while responding to these changing needs in new and exciting ways. As a direct result of our research, we created Connect German (www.connectgerman.com), a powerful online learning platform that includes the ebook, the online Arbeitsbuch, an audio/video chat feature, and a brand-new video filmed in Leipzig, thereby offering a flexible solution for the evolving introductory German landscape. Enhanced by these powerful new digital tools, the Seventh Edition of Kontakte does the following:
Engages students in authentic culture and inspires them to communicate with confidence by providing them with the natural contexts they need to develop their language skills
Provides tools for flexibility and easy course administration
Achieves consistent results across the different course formats offered: face-to-face, hybrid, and online. *Connect German, including but not limited to the workbook/lab manual, the video program, and chat tools, is sold separately and does not come automatically with the purchase of the textbook.

When Travis Delaney's parents die in a car crash, Travis is devastated. In a bid to pull himself out of his grief, he starts to look into the last case they were investigating at the private investigation agency they ran. What starts as a minor distraction soon becomes a sinister, unbelievable mystery - and Travis is determined to solve it. Why were his parents looking for a missing boy when the boy's family says he isn't missing? Where is the boy himself? And why would a man who is in surveillance photos taken by Travis's parents turn up at their funeral? As Travis searches for answers, he starts to have the chilling realization that the question he should be asking is the one he most wants to avoid: Was the accident that killed his parents really what it seemed? An intriguing, exciting adventure from a master of suspense.
