The final novel in the First Law Trilogy by New York Times bestseller Joe Abercrombie. Logen Ninefingers might only have one more fight in him -- but it's going to be a big one. Battle rages across the North, the king of the Northmen still stands firm, and there's only one man who can stop him. His oldest friend, and his oldest enemy: it's time for the Bloody-Nine to come home. With too many masters and too little time, Superior Glokta is fighting a different kind of war. A secret struggle in which no one is safe, and no one can be trusted. As his days with a sword are far behind him, it's fortunate that he's deadly with his remaining weapons: blackmail, threats, and torture. Jezulan Luthar has decided that winning glory is too painful an undertaking and turned his back on soldiering for a simple life with the woman he loves. But love can be painful too -- and glory has a nasty habit of creeping up on a man when he least expects it. The king of the Union lies on his deathbed, the peasants revolt, and the nobles scramble to steal his crown. No one believes that the shadow of war is about to fall across the heart of the Union. Only the First of the Magi can save the world, but there are risks. There is no risk more terrible, than to break the First Law. . .

The second novel in the wildly popular First Law Trilogy from New York Times bestseller Joe Abercrombie. Superior Glokta has a problem. How do you defend a city surrounded by enemies and riddled with traitors, when your allies can by no means be trusted, and your predecessor vanished without a trace? It's enough to make a torturer want to run -- if he could even walk without a stick. Northmen have spilled over the border of Angland and are spreading fire and death across the frozen country. Crown Prince Ladisla is poised to drive them back and win undying glory. There is only one problem -- he commands the worst-armed, worst-trained, worst-led army in the world. And Bayaz, the First of the Magi, is leading a party of bold adventurers on a perilous mission through the ruins of the past. The most hated woman in the South, the most feared man in the North, and the most selfish boy in the Union make a strange alliance, but a deadly one. They might even stand a chance of saving mankind from the Eaters -- if they didn't hate each other quite so much. Ancient secrets will be uncovered. Bloody battles will be won and lost. Bitter enemies will be forgiven -- but not before they are hanged.
