Pulitzer Prize – winning author John Toland reports on the Korean War in a revolutionary way in this thoroughly researched and riveting book. Toland pored over military archives and was the first person to gain access to previously undisclosed Chinese records, which allowed him to investigate Chairman Mao ' s direct involvement in the conflict. In Mortal Combat is comprehensive in it discussion of events

deemed controversial, such as American brutality against Korean civilians and allegations of American use of biological warfare. Toland tells the dramatic account of the Korean War from start to finish, from the appalling experience of its POWs to Mao ' s prediction of MacArthur ' s Inchon invasion. Depression is a multi-faceted disorder with symptom clusters that are highly variable between individuals. In spite of efforts utilizing neuroscientific and genetic techniques in research to determine its etiology, practical clinical settings still rely on traditional

verbal consultation method to devise treatment for the depressed. This book discusses the importance of focus on causality and the need to discuss issues which lead to depressive symptom manifestation and progress.

Ironically, though, all religions in their

teachings
speak of
nonviolence
and have in
common the
promotion of
peace and
justice,
namely
the respect of
human life
and dignity,
the
institution
of
human rights,
the
protection of
the poor and
vulnerable,
the freeing
of the
oppressed,
the active

of injustice?
It seems there
fore, that
violence and
wars would be

antithetical
to religions;
yet they are
so frequently
used as their
justification.
Are we then

ligions"? "In-

quite foreign
to the
essence of
the religions
as they were
established by
their
founders and
that they
intend to

represent; they
actually
contribute to
their destruc-
tion. Wanting
to reflect on
that point, I
embarked, a
few years ago,
on giving
voice to
local
religious
individuals,
whom I called
"Religious
Peacemakers,"
and who, each
by living
the essential
teachings of
their
particular
faith,
contributed
by
their actions
to peace and
justice. I
wanted to

prove that their path,ir respective of their original religion, would be similar, and thattheir diverse faith, instead of separating them, would on thecontrary end up uniting them.
