Cappuccino Diva is a novel about the joys of share-housing in your early
twenties. It's about love, saving a forest, starting your own rock band, and
remembering that some boys are just not worth chasing. Runner Up for the
prestigious TAG Hungerford Award in 2000, it is a charming novel, suitable for
young adults, and adults alike. At 21, Angie has returned to her hometown of
Fremantle, Australia after a short stint in London. Deep in its skin she resettles,
and with the creative thread of the town's artists and musicians, she hopes to sew
herself a new suit of confidence. Connecting the modern tale with Fremantle's
local history is a piano - travelling across the suburbs and the century to meet
Angie when she finally finds what it is she believes is searching for.
