Zoë has been a Support Worker for the learning disability charity Mencap for five years and has just qualified as a counsellor. What many people don't know is that Zoë has two rare health conditions, Tuberous Sclerosis Complex (TSC) and LAM caused by two connected faulty genes that can affect the brain, skin, kidneys and lungs. Zoë had a relatively symptom-free childhood but as she entered adulthood, she suffered a life-threatening kidney bleed and multiple lung collapses that took a toll on her mental health. Throughout Rare, Zoë shares her journey of recovery and how she has come to accept aspects of herself that seemed impossible to surmount.

[My Book of Sentences](#) Kumon Publishing North America

Kumon's research has discovered that children learn more easily when they tackle one skill at a time. That's why Kumon Focus on Workbooks shine a spotlight on one challenging maths topic per book and help children improve these essential skills and gain confidence in their abilities. Each workbook utilises the Kumon Method - a step-by-step, incremental approach that helps children learn at their own pace and without anxiety. By rigorously practising each skill, the child will be proficient in the mathematics that is crucial for future learning.

Lei Ling Wen is lonely. Bored of her demanding after-school schedule of tuition, study and violin lessons, she struggles to see eye to eye with her strict Chinese-Malaysian mother. When Lei Ling is befriended by elegant, worldly socialite Gigi Nu, she is enchanted by the realm of luxury and freedom that suddenly opens up to her. Gigi encourages Lei Ling to flout her routines and treats her to designer products and expensive meals, and soon Lei Ling finds herself caught between two lives, and increasingly at odds with her exasperated mother. Then tragedy strikes, and Lei Ling discovers long-held secrets that lead her to question everything she thought she knew about the two central women in her life, and the friendship she'd held at the heart of it. Jade and Emerald is a fierce and deeply felt novel about the joys and pains of growing up, of accepting who you are and where you come from.
