The definitive guide to heart health from two of America's most respected doctors at Cleveland Clinic, the #1 hospital for heart health in America. Are you one of the eighty-two million Americans currently diagnosed with cardiovascular disease—or one of the millions more who think they are healthy but are at risk? Whether your goal is to get the best treatment or stay out of the cardiologist's office, your heart's health depends upon accurate information and correct answers to key questions.

In Heart 411, two renowned experts, heart surgeon Marc Gillinov and cardiologist Steven Nissen, tackle the questions their patients have raised over their decades of practice: Can the stress of my job really lead to a heart attack? How does exercise help my heart, and what is the right amount and type of exercise? What are the most important tests for my heart, and when do I need them? How do symptoms and treatments differ among men, women, and children? Backed by decades of clinical experience and up-to-the-minute research, yet written in the accessible, down-to-earth tone of your trusted family doctor, Heart 411 cuts through the confusion to give you the knowledge and tools you need to live a long and heart-healthy life.

Grey paused and studied the crudely drawn figure. A rough shaped face, traced in ashes, stared back at them. Above the face, a message: 'Hell Awaits' 1893. A trail of footprints lead Deputy Archie Lean and criminologist Perceval Grey to the body of a murdered thief. The victim's exposed flesh has been burnt beyond recognition and occult symbols mark the nearby walls. But two days earlier this same man was lowered into his grave ...As Lean and Grey dig deeper, they're pulled into a maze of death, deceit and revenge as they try to prevent a devious murderer from unlocking an ancient and lethal power. Rich in history, mystery and witchcraft, The Devil's Revenge is a breathless

historical thriller about the darkest of secrets.

More than twenty years have passed since Walter Auffenberg's monumental *The Behavioral Ecology of the Komodo Monitor*. In the intervening years the populations of Komodo dragons—native only to a handful of islands in southeast Indonesia—have dwindled, sparking intensive conservation efforts. During the last two decades new information about these formidable predators has emerged, and the most important findings are clearly presented here. A memoir from Walter Auffenberg and his son Kurt is followed by the latest information on Komodo dragon biology,

ecology, population distribution, and behavior. The second part of the book is dedicated to step-by-step management and conservation techniques, both for wild and captive dragons. This successful model is a useful template for the conservation of other endangered species as well, for, as Kurt and Walter Auffenberg note, "The species may well indeed survive in the wild for generations to come while countless other organisms are lost."

Planner for New Moms Springer

Science & Business Media

Topper Meets Emma! Re-release of bestselling 2009 novel - What happens when Rory travels halfway across the country to meet the girl of his dreams? Certainly not what he expected... Rory's just be a simple southern boy from St. Antoine's Parish, Louisiana, but he knows what he wants -- the girl of his dreams, reclusive and mysterious artist Ran Yamane. He's loved her since junior high school, and now he has the chance to meet her. He chucks everything and travels 1,500 miles to Anime Expo in Long Beach just so he can tell her. He's determined that nothing and nobody are going to stand in his way. Turns out, Ran Yamane isn't a girl, but he gets that a lot. People come to him with teddy bears and chocolates and disappointment by the truckload. He's trusted fans in the past and paid the price. So when he meets Rory he is understandably wary, but resigned. He isn't prepared for his magnetic attraction to the young man, Rory's apparent willingness to overlook

his gender, and the chaos that ensues when his number one fan (and psycho stalker) shows up to get revenge. Re-release.
