Cycles 128! Infinity Publishing Recipient of the Independent Publishers Award for Historical Fiction (Gold Medal), the Foreword Book of the Year Award for Historical Fiction (Bronze Medal), and an honorable mention in the category of General Fiction for the Eric Hoffer Award. Luis de Sant á ngel, chancellor to the court and longtime friend of the lusty King Ferdinand, has had enough of the Spanish Inquisition. As the power of Inquisitor General Tom á s de Torquemada grows, so does the brutality of the Spanish church and the suspicion and paranoia it inspires. When a dear friend ' s demise brings the violence close to home, Sant á ngel is enraged and takes retribution into his own hands. But he is from a family of conversos, and his Jewish heritage makes him an easy target. As Sant á ngel witnesses the horrific persecution of his loved ones, he begins slowly to reconnect with the Jewish faith his family left behind. Feeding his curiosity

about his past is his growing love for Judith Migdal, a clever and beautiful Jewish woman navigating the mounting tensions in Granada. While he struggles to decide what his reputation is worth and what he can sacrifice, one man offers him a chance he thought he 'd lost...the chance to hope for a better world. Christopher Columbus has plans to discover a route to paradise, and only Luis de Sant á ngel can help him. Within the dramatic story lies a subtle, insightful examination of the crisis of faith at the heart of the Spanish Inquisition. Irresolvable conflict rages within the conversos in *By Fire, By Water*, torn between the religion they left behind and the conversion meant to ensure their safety. In this story of love, God, faith, and torture, fifteenth-century Spain comes to dazzling, engrossing life.

"This is a starry love story, a tale of seething jealousies and subterfuge, a political imbroglio, and religious cruelties. It sounds like Shakespeare and it could have very well been the plot of one of his plays." --Toronto Star

In 1494, award-winning author Stephen R. Bown tells the untold story of the explosive feud between monarchs, clergy, and explorers that split the globe between Spain and Portugal and made the world's oceans a battleground. When Columbus triumphantly returned from America to Spain in 1493, his discoveries inflamed an already-smouldering conflict between Spain's renowned monarchs, Ferdinand and Isabella, and Portugal's Jo ã o II. Which nation was to control the world's oceans? To quell the argument, Pope Alexander VI—the notorious Rodrigo Borgia—issued a proclamation laying the foundation for the Treaty of Tordesillas of 1494, an edict that created an imaginary line in the Atlantic Ocean dividing the entire known (and unknown) world between Spain and Portugal. Just as the world's oceans were about to be opened by Columbus's epochal voyage, the treaty sought to limit the seas to these two favored Catholic nations. The edict was to have a profound influence on world history: it propelled Spain and Portugal to superpower status, steered many other European nations on a collision course, and became the central grievance in two centuries of international espionage, piracy, and warfare. The treaty also began the fight for "the freedom of the seas"—the epic struggle to determine whether the world's oceans, and thus global commerce, would be

controlled by the decree of an autocrat or be open to the ships of any nation—a distinctly modern notion, championed in the early seventeenth century by the Dutch legal theorist Hugo Grotius, whose arguments became the foundation of international law. At the heart of one of the greatest international diplomatic and political agreements of the last five centuries were the strained relationships and passions of a handful of powerful individuals. They were linked by a shared history, mutual animosity, and personal obligations—quarrels, rivalries, and hatreds that dated back decades. Yet the struggle ultimately stemmed from a young woman's determination to defy tradition and the king, and to choose her own husband.

Ever wish you had a road map to follow to your God-given destiny? The Calling Journey is just such a map, revealing the common stages and transitions leaders go through on the pathway to their call. As you read what successful leaders from all walks of life experienced on the destiny road, you'll gain an amazing perspective on how God is leveraging everything in your own story to make his dream for you come true. Along the way, you'll learn how to identify key stages in your own journey and build a personal calling timeline. When you discover what God's agenda is for each stage, you can lean into what he is doing in you instead of fighting the process. Developed by a master leadership coach, the timeline model emerged from comparing the life stories

of biblical characters to those of contemporary leaders. Through hundreds of coaching encounters, plus extensive interviews with Christian leaders in business, ministry, politics and other spheres, Tony discovered that God takes each of us through predictable stages of upward growth separated by "valleys" of adversity and inner formation. While we tend to view the difficult times in the valleys as failures or detours, Tony shows how they form a vital part of God's strategy for leadership development. Just as Joseph's repeated betrayal and elevation birthed the life message that is his greatest legacy ("You meant it for evil, but God meant it for good"), The Calling Journey shows how the Great Redeemer transforms times of heartache into the seedbed of a world-changing life. The Calling Journey depicts four stages and three valleys on an easy-to-understand graphical timeline. Dozens of personal stories (along with tales of historical and biblical travelers) bring the journey to life. Coupled with an innovative understanding of call as the unique way Jesus is incarnated in us by our story, this in-depth look at the purpose of life reveals how God truly is good all the time.
