"Former FBI agent Brigid Quinn, with her trademark toughness, raw humor, and human frailty, is back and better than ever in Masterman's latest novel. As Quinn is drawn into an infamous cold case with a possible link to the two killers immortalized by Truman Capote's *In Cold Blood*, she finds danger closing in. A gripping premise, brilliantly executed—you won't be able to put this one down!"—Shari Lapena, New York Times bestselling author of *The*

Couple Next Door In 1959, a family of four were brutally murdered in Holcomb, Kansas. Perry Smith and Dick Hickok were convicted and executed for the crime, and the murders and their investigation and solution became the subject of Truman Capote's masterpiece, *In Cold Blood*. But what if there was a third killer, who remained unknown? What if there was another family, also murdered, who crossed paths with this band of killers, though their murder remains unsolved? And what if Dick Hickok left a written confession, explaining everything? Retired FBI agent Brigid Quinn and her husband Carlo, a former priest and university professor, are trying to enjoy each other in this new stage in their lives. But a memento from Carlo's days as a prison chaplain--a handwritten document hidden away undetected in a box of Carlo's old things--has become a target for a man on the run from his past. Jerry Beaufort has just been released from prison after decades behind bars, and though he'd like to get on with living the rest of his life, he knows that somewhere there is a written record of the time he spent with two killers in 1959. Following the path of this letter will bring Jerry into contact with the last person he'll see as a threat: Brigid

Quinn. Becky Masterman's unputdownable thrillers featuring unique heroine Brigid Quinn continue with this fascinating alternative look at one of America's most famous crimes.

Sue Grafton's #1 New York Times bestselling series, reissued for a whole new generation of readers! D IS FOR DEADBEAT He called himself Alvin Limardo, and the job he had for Kinsey was cut-and-dried: locate a kid who'd done him a favor and pass on a check for \$25,000. It was only later, after he'd stiffed her for her retainer, that Kinsey found out his name was Daggett. John Daggett. Ex-con. Inveterate liar. Chronic drunk. And dead. The cops called it an accident--death by drowning. Kinsey wasn't so sure. Pulled into the detritus of a dead man's life, Kinsey soon realizes that Daggett had an awful lot of enemies. There's the daughter who grew up with a cheating drunk for a father, and the wife who's become a religious nut in response to an intolerable marriage. There's the lady who thought she was Mrs. Daggett--and has the bruises to prove it--only to discover the legal Mrs. D. And there are the drug dealers out \$25,000. But most of all, there are the families of the five people John Daggett killed, victims of his wild, drunken driving. The D.A. called it vehicular manslaughter and put him away for two years. The families called it murder and had very good reason to want John

Daggett dead. Deft, cunning, and clever, this latest Millhone mystery also confronts some messy truths, for, as Kinsey herself says, "Some debts of the human soul are so enormous only life itself is sufficient forfeit"--but as she'd be the first to admit, murder is not a socially acceptable solution. #1 bestselling author Janet Evanovich 's Stephanie Plum novels are:

“ irresistible ” (Houston Chronicle), “ stunning ” (Booklist), “ outrageous ” (Publishers Weekly), “ brilliantly evocative ” (The Denver Post), and “ making trouble and winning hearts ” (USA Today). New Jersey bounty hunter Stephanie Plum is certain of three truths: People don ' t just vanish into thin air. Never anger old people. And don ' t do what Tiki tells you to do. After a slow summer of chasing low-level skips for her cousin Vinnie ' s bail bonds agency, Stephanie Plum finally lands an assignment that could put her checkbook back in the black. Geoffrey Cubbin, facing trial for embezzling

millions from Trenton ' s premier assisted-living facility, has mysteriously vanished from the hospital after an emergency appendectomy. Now it ' s on Stephanie to track him down. Unfortunately, Cubbin has disappeared without a trace, a witness, or his money-hungry wife. Rumors are stirring that he must have had help with the daring escape . . . or that maybe he never made it out of his room alive. Since the hospital staff ' s lips seem to be tighter than the security, and it ' s hard for Stephanie to blend in to assisted living, Stephanie ' s Grandma Mazur goes in undercover. But when a second felon goes missing from the same hospital, Stephanie is forced into working side by side with Trenton ' s hottest cop, Joe Morelli, in order to crack the case. The real problem is, no Cubbin also means no way to pay the rent. Desperate for money—or maybe just desperate—Stephanie accepts a secondary job guarding her secretive and mouthwatering mentor Ranger from a deadly Special Forces adversary. While Stephanie is notorious for finding trouble, she may have found a little more than she bargained for this time around. Then again—a little food poisoning, some threatening notes, and a bridesmaid ' s dress with an excess of taffeta never killed anyone . . . or did they? If Stephanie Plum wants to bring in a paycheck, she ' ll have to remember: No guts, no glory.
