Making Sense of Your World Wadsworth Publishing Company

Making Sense of Your World offers a basic, accessible introduction to biblical worldview that covers all of these aspects of world-view thinking. Part One compares the basic worldviews, Part Two contrasts (and seeks to defend) the biblical worldview with the others, and Part Three constructs a biblical worldview in four key areas. This book is an overview; the Christian thinker is invited to continue his or her study through the recommended readings at the end of each chapter--an ongoing task Paul labels the 'renewing' of our minds (Romans 12:2).

Outlines and Highlights for Living Religions Pearson
This latest book by notable scholar and author Mary Pat Fisher reflects the growing interest in women in religion. Every chapter begins with a brief history of a religious tradition and women's roles in the development of that religion, giving students historical context. Biographical feature boxes and

interviews are peppered throughout each chapter to provide insight into the personal experiences of key figures and practitioners. Extracts from holy texts, diaries, and articles, together with shorter quotations woven throughout the text, support and illustrate the main text discussion and enable critical issues to be raised and considered. This accessible text makes women's religious experiences and actions come to life in all their richness and variety.

Living religions, 3rd ed Routledge

For use as a core text for introductory and upper-level courses in Western religions and Introduction to World Religions courses.

Can also be used as supplemental reading for individual religion courses. Living Religions Western Traditions is a highly readable and stimulating survey of the major global religions and new religious movements that originated in the West. The social context, origins, teachers, scriptures, and historical development of each faith are carefully explored, with emphasis on how practitioners themselves understand their traditions.

Evocative illustrations, first-person interviews of ordinary people and boxes uncovering the spiritual roots of public figures bring this text to life.

Studyguide for Living Religions Pearson College Division

This anthology provides each of the major world religions with an opportunity to explain itself in its own terms, creating a sensitive and accurate picture of its teachings and beliefs. It allows readers to gain an "inside" understanding of origins, founders, and practices—and presents the religions as living faiths. Selected extracts relate religion to such current issues as gender, environment, and politics. Chapters explore indigenous sacred ways, Hinduism, Jainism, Buddhism, Taoism, Confucianism, Judaism, Christianity, and more. For individuals desiring to learn more about the major world religions, and their impact around the world today.
