The Last Cato W. W. Norton

In the year 1492, the
Inquisition has all of Spain in
its grip. After centuries of
pogrom-like riots encouraged
by the Church, the Jews - who
have been an important part
of Spanish life since the days
of the Romans - are expelled
from the country by royal
edict. Many who wish to
remain are intimidated by
Church and Crown and
become Catholics, but several
hundred thousand choose to
retain their religion and

depart; given little time to flee,
some perish even before they
can escape from Spain. Yonah
Toledano, the 15-year-old son
of a celebrated Spanish
silversmith, has seen his
father and brother die during
these terrible days - victims
whose murders go almost
unnoticed in a time of mass
upheaval. Trapped in Spain by
circumstances, he is
determined to honor the
memory of his family by
remaining a Jew. On a donkey
named Moise, Yonah begins a
meandering journey, a young
fugitive zigzagging across the
vastness of Spain. Toiling at
manual labor, he desperately
tries to cling to his memories
of a vanished culture. As a
lonely shepherd on a
mountaintop he hurls snatches
of almost forgotten Hebrew at
the stars, as an apprentice
armorer he learns to fight like
a Christian knight. Finally, as a
man living in a time and land
where danger from the
Inquisition is everywhere, he
deals with the questions that
mark his past. How he

discovers the answers, how he finds his way to a singular and strong Marrano woman, how he achieves a life with the outer persona of a respected Old Christian physician and the inner life of a secret Jew, is the fabric of this novel. *The Last Jew* is a glimpse of the past, an authentic tale of high adventure, and a tender and unforgettable love story. In it, Noah Gordon utilizes his greatest strengths, and the result is remarkable and moving.

An orphan leaves Dark Ages London to study medicine in Persia in this “rich” and “vivid”

historical novel from a New York

Times–bestselling author (The New York Times). A

child holds the hand of his dying mother and is terrified, aware something

is taking her. Orphaned and given to an itinerant

barber–surgeon, Rob

Cole becomes a fast–talking swindler, peddling a worthless medicine. But

as he matures, his

strange gift—an acute sensitivity to impending

death—never leaves him, and he yearns to become

a healer. Arab madrassas are the only authentic

medical schools, and he makes his perilous way to

Persia. Christians are barred from Muslim schools, but claiming he is a Jew, he studies under the world's most renowned physician, Avicenna. How the woman who is his great love struggles against her only rival—medicine—makes a riveting modern classic. The Physician is the first book in New York Times–bestselling author Noah Gordon's Dr. Robert Cole trilogy, which continues with Shaman and concludes with Matters of Choice. *Chamán* La bodega In the year 1492, the Inquisition has all of Spain in its grip. Singled Out Harper Collins This New York Times Notable Book is a “sweeping historical drama” of a physician and his family on the Illinois frontier in the nineteenth century (The New York Times Book Review). Dr. Robert Judson Cole travels from his ravaged Scotland homeland, through the operating rooms of Boston, to the cabins of frontier Illinois. In the wilderness he befriends the starving remnants of the Sauk tribe, who have fled their reservation. In the process, he absorbs their culture and learns native remedies that enrich the classical medical education he received at Edinburgh University. He marries a remarkable settler woman he had saved from illness. The details of how their deaf son manages to become a physician also, despite his handicap, and the story of how the Cole family is sucked into the bloody vortex

of the Civil War and survives, makes an exceptional reading experience.

A masterful blend of Christian scholarship and thrilling adventure, *The Last Cato* is a novel about the race to find the secret location of the Vera Cruz, the True Cross on which Christ was crucified, and the ancient brotherhood sworn to protect it. Holy relics are disappearing from sacred spots around the world—and the Vatican will do whatever it takes to stop the thieves from stealing what is left of the scattered splinters of the True Cross. Brilliant paleographer Dr. Ottavia Salina is called upon by the highest levels of the Roman Catholic Church to decipher the scars found on an Ethiopian man's corpse: seven crosses and seven Greek

letters. The markings, symbolizing the Seven Deadly Sins, are part of an elaborate initiation ritual for the Staurofilakes, the clandestine brotherhood hiding the True Cross for centuries, headed by a secretive figure called Cato. With the help of a member of the Swiss Guard and a renowned archaeologist, Dr. Salina uncovers the connection between the brotherhood and Dante's *Divine Comedy*, and races across the globe to Christianity's ancient capitals. Together, they will face challenges that will put their faith—and their very lives—to the ultimate test. **La bodega** Roca editorial One of our most accomplished literary artists, John Crowley imagines the novel the haunted Romantic poet Lord Byron never penned ...but very well might have.

Saved from destruction, read, and annotated by Byron's own abandoned daughter, Ada, the manuscript is rediscovered in our time -- and almost not recognized.
