Inspired by the incredible true story of the most decorated servicewoman of the second world war. Nancy Wake was an Australian girl who, aged, 16 ran away from her abusive mother to the other side of the world. Nancy Wake was a wife who, when her husband was snatched by the Gestapo, fought to be trained by SOE and returned to France to take her revenge. Nancy Wake was a soldier who led a battalion of 7,000 French Resistance fighters who called her Field Marshall. Who had a 5-million Franc bounty on her head. Who killed a Nazi with her bare hands. Who defeated 22,000 Germans with the loss of only 100 men. Who sold her medals because, "I'll probably go to hell and they'd melt anyway." Discover the roots of her legend in a thriller about one woman's incredible quest to turn the tide of the war, save the man she loves and take revenge on those who have wronged her.

Languedoc, Francia, finales del siglo XIX. Josep Álvarez descubre de la mano de un viticultor francés el arte de la elaboración del vino. Desde ese momento, su vida estará determinada por esta pasión. A pesar de su juventud, Josep ha conocido el amor, las intrigas políticas y el trabajo duro, experiencia que, junto a su temprana vocación, caracterizará su destino. Tras participar contra su voluntad en un complot que convulsionará la ya turbulenta escena política del momento, huye a Francia, donde trabajará para un viticultor. Pese a su temor de caer en manos de la justicia, decide un día volver a su hogar. Luchando contra los elementos, Josep emprende una aventura tan ardua como fascinante: la elaboración de un buen vino. En torno a él, los habitantes de Santa Eulària: la joven viuda Marimar y su hijo Francesc; Nivaldo, el tendero de origen cubano; Donat, el hermano obrero, todos ellos personajes que pueblan esta rica novela. La bodega contiene la esencia anterior de Noah Gordon: historias personales de fuerza, personajes vitales, retratos fidedignos de una época, plasmados con una sensibilidad y acierto que ha admirado a miles de lectores a lo largo de los años.

In the year 1492, the Inquisition has all of Spain in its grip. After centuries of pogrom-like riots encouraged by the Church, the Jews - who have been an important part of Spanish life since the days of the Romans - are expelled from the country by royal edict. Many who wish to remain are intimidated by Church and Crown and become Catholics, but several hundred thousand choose to retain their religion and depart; given little time to flee, some perish even before they can escape from Spain. Yonah Toledano, the 15-year-old son of a celebrated Spanish silversmith, has seen his father and brother die during these terrible days - victims whose murders go almost unnoticed in a time of mass upheaval. Trapped in Spain by circumstances, he is determined to honor the memory of his family

by remaining a Jew. On a donkey named Moise, Yonah begins a meandering journey, a young fugitive zigzagging across the vastness of Spain. Toiling at manual labor, he desperately tries to cling to his memories of a vanished culture. As a lonely shepherd on a mountaintop he hurls snatches of almost forgotten Hebrew at the stars, as an apprentice armorer he learns to fight like a Christian knight. Finally, as a man living in a time and land where danger from the Inquisition is everywhere, he deals with the questions that mark his past. How he discovers the answers, how he finds his way to a singular and strong Marrano woman, how he achieves a life with the outer persona of a respected Old Christian physician and the inner life of a secret Jew, is the fabric of this novel. *The Last Jew* is a glimpse of the past, an authentic tale of high adventure, and a tender and unforgettable love story. In it, Noah Gordon utilizes his greatest strengths, and the result is remarkable and moving.

This New York Times Notable Book is a "sweeping historical drama" of a physician and his family on the Illinois frontier in the nineteenth century (The New York Times Book Review). Dr. Robert Judson Cole travels from his ravaged Scotland homeland, through the operating rooms of Boston, to the cabins of frontier Illinois. In the wilderness he befriends the starving remnants of the Sauk tribe, who have fled their reservation. In the process, he absorbs their culture and learns native remedies that enrich the classical medical education he received at Edinburgh University. He marries a remarkable settler woman he had saved from illness. The details of how their deaf son manages to become a physician also, despite his handicap, and the story of how the Cole family is sucked into the bloody vortex of the Civil War and survives, makes an exceptional reading experience.

An orphan leaves Dark Ages London to study medicine in Persia in this “ rich ” and “ vivid ” historical novel from a New York Times – bestselling author (The New York Times). A child holds the hand of his dying mother and is terrified, aware something is taking her.

Orphaned and given to an itinerant barber-surgeon, Rob Cole becomes a fast-talking swindler, peddling a worthless medicine. But as he matures, his strange gift—an acute sensitivity to impending death—never leaves him, and he yearns to become a healer. Arab madrassas are the only authentic medical schools, and he makes his perilous way to Persia. Christians are barred from Muslim schools, but claiming he is a Jew, he studies under the world’s most renowned physician, Avicenna. How the woman who is his great love struggles against her only rival—medicine—makes a riveting modern classic. The Physician is the first book in New York Times – bestselling author Noah Gordon’s Dr. Robert Cole trilogy, which continues with Shaman and concludes with Matters of Choice.

“ Wine is art. Wine is ritual. Wine is culture. Wine is romance. But in the hands of Tattersall and DeSalle . . . we learn that wine is also science. ” —Neil deGrasse Tyson A Wall Street Journal Best Book for Wine Lovers An excellent bottle of wine can be the spark that inspires a brainstorming session. Such was the case for Ian Tattersall and Rob DeSalle, scientists who frequently collaborate on book and museum exhibition projects. When the conversation turned to wine one evening, it almost inevitably led the two—one a palaeoanthropologist, the other a molecular biologist—to begin exploring the many intersections between science and wine. This book presents their fascinating, freewheeling answers to the question “ What can science tell us about wine? ” And vice versa. Conversational and accessible to everyone, this colorfully illustrated book embraces almost every imaginable area of the sciences, from microbiology and ecology (for an understanding of what creates this complex beverage) to physiology and neurobiology (for insight into the effects of wine on the mind and body). The authors draw on physics, chemistry, biochemistry, evolution, and climatology, and they expand the discussion to include insights from anthropology, primatology, entomology, Neolithic archaeology, and even classical history. The resulting volume is indispensable for anyone who wishes to appreciate wine to its fullest. “ Chemistry. Evolutionary biology. Genetics. This book is an excellent layman’s refresher on these diverse topics, and many more, and how they fit into the grand scheme of wine . . . A fact-packed and accessible read that goes a long way toward explaining why and how wine became such an important component in our enjoyment of the natural world. ” —Wine Spectator

A masterful blend of Christian scholarship and thrilling adventure, The Last Cato is a novel about the race to find the secret location of the Vera Cruz, the True Cross on which Christ was crucified, and the ancient brotherhood sworn to protect it. Holy relics are disappearing from sacred spots around the world—and the Vatican will do whatever it takes to stop the thieves from stealing what is left of the scattered splinters of the True Cross. Brilliant paleographer Dr. Ottavia Salina is called upon by the highest levels of the Roman Catholic Church to decipher the scars found on an Ethiopian man's corpse: seven crosses and seven Greek letters. The markings, symbolizing the Seven Deadly Sins, are part of an elaborate initiation ritual for the Staurofilakes, the clandestine brotherhood hiding the True Cross for centuries, headed by a secretive figure called Cato. With the help of a member of the Swiss Guard and a renowned archaeologist, Dr. Salina uncovers the connection between the brotherhood and Dante's Divine Comedy, and races across the globe to Christianity's ancient capitals. Together, they will face

challenges that will put their faith—and their very lives—to the ultimate test.
