From the New York Times bestselling author The Four Winds, a moving, powerful novel about the fragile threads that bind together our lives and the astonishing potential of second chances

"A tender, beautifully told story of emotional growth, forgiveness [and] the possibility of miracles."—Publishers Weekly (starred review) Madelaine Hillyard is a world-famous heart surgeon at the top of her game. Her personal life is far less successful. A loving but overworked single mom, she is constantly at odds with her teenage daughter. At sixteen, Lina is confused, angry, and fast becoming a stranger to her mother—a rebel desperate to find the father who walked

away before she was born. Complicating matters for Madelaine are the vastly different DeMarco brothers: While priest Francis DeMarco is always ready to lend a helping hand, his brother, Angel, long ago took on the role of bad boy. Years earlier Angel abandoned Madelaine—and fatherhood—to go in search of fame and fortune. His departure left Madelaine devastated, but now he reappears and seeks help from the very people he betrayed—as a patient in dire need.

A Vineyard in Andalusia GRIJALBO
En la opulenta Córdoba de la segunda mitad
del siglo XVI, un joven morisco, desgarrado
entre dos culturas y dos amores, inicia una
ardiente lucha por la tolerancia religiosa y los
derechos de su pueblo. La historia de un joven
atrapado entre dos religiones y dos amores, en
busca de su libertad y la de su pueblo, en la
Andalucía del siglo XVI. En 1568, en los
valles y montes de las Alpujarras, ha estallado
el grito de la rebelión: hartos de injusticias,
expolio y humillaciones, los moriscos se
enfrentan a los cristianos e inician una desigual
pugna que sólo puede terminar con su
derrota y dispersión por todo el reino de
Castilla. Entre los sublevados se encuentra el
joven Hernando. Hijo de una morisca y del
sacerdote que la violó, es rechazado por los
moriscos, debido a su origen, y por los
cristianos, por la cultura y costumbres de su
familia. Durante la insurrección conocela
brutalidad y crueldad de unos y otros, pero
también encuentra el amor en la figura de la
valerosa Fátima, la de los grandes ojos
negros. A partir de la derrota, forzado a vivir
en Córdoba y en medio de las dificultades de
la existencia cotidiana, todas sus fuerzas se
concentran en lograr que su cultura y
religión, las de los vencidos, recuperen la
dignidad y el papel que merecen. Para ello

deberá correr riesgos y atreverse a desafiar las
leyes con audaces y peligrosas iniciativas... Los
lectores de *La catedral del mar* encontrarán
en esta segunda novela de su autor las mismas
claves que llevaron al éxito a la primera: la
fidelidad histórica, que se entrelaza con un
apasionado relato de amor y odio, de ilusiones
perdidas y esperanzas que dan sentido a la vida
y la lanzan por los caminos de la aventura. De
ese modo, su autor construye una trepidante
novela que pretende reflejar la tragedia del
pueblo morisco, ahora que se cumple el cuarto
centenario de su expulsión de España, y que
también relata una vida singular, la de un
hombre fronterizo y enamorado que nunca se
resignó a la derrota y luchó por la
convivencia. Reseña: « Mantiene la
expectación del lector, rehúye lo previsible,
se acerca al ideario de los autores franceses e
italianos (pasión, desquite, esperanza y
justicia) y captura el interés con múltiples
subtramas que actúan como libros en
cadena. » El Periódico de Catalunya

A compelling new novel that combines past and present in a riveting search for the source of the Book of Genesis itself. In her provocative second novel, Spanish author Julia Navarro takes readers on an exhilarating journey across centuries and continents, as an upstart archeologist and a murderous group of conspirators vie for a treasure that will rewrite history – an explosive account of the world's creation recorded millennia ago by a humble scribe onto the legendary Bible of Clay. Moving back and forth through time, from the tense months preceding the contemporary war in Iraq, to ancient Mesopotamia, to the atrocities of the last century, this tale of vengeance, obsession, and the wholesale plundering of the ancient world's most priceless treasures is populated by an international cast of political opportunists, ruthless killers, and unsullied seekers of truth.

The Bible of Clay is historical fiction at its richest,

a sweeping saga that challenges at once both conventional geopolitics and the very foundations of modern religion.

An extraordinary story of passion, art, and intrigue, this novel journeys to a time and place in Italy where desire reigns supreme—and salvation is found in the strangest of places. Beauty can be a gift—or a wicked temptation. So it is for Filippo Lippi, growing up in Renaissance Florence. He has a talent—not only can he see the beauty in everything, he can capture it, paint it. But while beauty can seduce you and art can transport you—it cannot always feed you or protect you. To survive, Pippo Lippi, orphan, street urchin, budding rogue, must first become Fra Filippo Lippi: Carmelite friar, man of God. His life will take him down two paths at once. He will become a gambler, a forger, a seducer of

nuns; and at the same time he will be the greatest painter of his time, the teacher of Botticelli and the confidante of the Medicis. So who is he really—lover, believer, father, teacher, artist? Is anything true except the paintings?

Mobius Dick is a dazzlingly inventive story that blends techno -thriller, historical fantasy, philosophy and farce, with a cast of characters that includes composers, scientists, geniuses and madmen. Beneath its gripping plot Mobius Dick traces the history of an idea. Just how real is reality? 'as fiction it is sold plutonium, and unflaggingly enjoyable' The Sunday Times 'I have a weakness for Andrew Crumey's novels. I call it a weakness because I've noticed that, when reading them in waiting rooms or on trains, people look up angrily whenever I laugh. There's much to laugh at in Mobius Dick. Like a magical conjuror, Crumey keeps all manner of subjects - chaos and coincidence, quantum mechanics, psychoanalysis, technology, telepathy and much else - whirling amazingly in the air.' Michael Holroyd in The New Statesmen's Books of the Year 'In Mobius Dick, the narrative becomes a series of coincidences that we interpret as we wish, and all things are real only insofar as we

want to see them that way. Under the skin of this teasing lurks a concern for the reputation of artists, and the role of chance in building the career of great musicians and writers. If Brahms had been ugly, would he have stayed playing the piano in a brothel? If Buddenbrooks had sold poorly, would Thomas Mann ever have been heard of at all? Andrew Crumey's work has been highly praised and not widely enough read for too long. In all the possible futures that exist for this intelligent, witty and accomplished writer, a wider readership should be more than just a matter of chance.' James Wood in The London Magazine

Ildefonso Falcones (edición estuche con: La catedral del mar | Los herederos de la tierra) Scribe Publications

Nueva edición del gran fenómeno editorial: La catedral del mar, de Ildefonso Falcones, con prólogo del autor. Una catedral construida por el pueblo y para el pueblo en la Barcelona medieval es el escenario de una apasionante historia de intriga, violencia y pasión. Siglo XIV. La ciudad de Barcelona se encuentra en su momento de mayor prosperidad; ha crecido hacia la Ribera, el humilde barrio de los pescadores, cuyos habitantes deciden construir, con el dinero de unos y el esfuerzo de otros, el mayor templo mariano jamás conocido: Santa María de la Mar. Una construcción que es paralela a la azarosa historia de Arnau, un siervo de la tierra que huye de los abusos de su señor feudal y se

refugia en Barcelona, donde se convierte en ciudadano y, con ello, en hombre libre. El joven Arnau trabaja como palafrenero, estibador, soldado y cambista. Una vida extenuante, siempre al amparo de la catedral de la mar, que le iba a llevar de la miseria del fugitivo a la nobleza y la riqueza. Pero con esta posición privilegiada también le llega la envidia de sus pares, que urden una sórdida conjura que pone su vida en manos de la Inquisición... La catedral del mar es una trama en la que se entrecruzan lealtad y venganza, traición y amor, guerra y peste, en un mundo marcado por la intolerancia religiosa, la ambición material y la segregación social. Todo ello convierte esta obra no sólo en una novela absorbente, sino también en la más fascinante y ambiciosa recreación de las luces y sombras de la época feudal. La crítica ha dicho... « Un relato que se lee con la misma avidez con que se ha escrito y que uno quisiera prolongar aun sabiendo que ha terminado. Un retablo de maravillas. » José Enrique Ruiz-Domènec, La Vanguardia « La catedral del mar va a despertar pasiones entre lectores de todo tipo, y con justicia. Ojalá todos los bestsellers fueran como éste. » Care Santos, El Mundo « Una trama generosa en secretos y traiciones... Una notable historia de autosuperación. » Ricard Ruiz Garzón, El Periódico « Barcelona ya tiene su Los pilares de la Tierra. » Qué Leer
