For fans of The Invisible Life of Addie LaRue and Life After Life, a poignant genre-bending debut novel about a man and woman who must discover why

they continue to meet in different versions of their lives—a thrilling and imaginative exploration of the infinite forms of love and how our choices can change everything. Thora and Santi have met before. Two strangers in a foreign city, Thora and Santi meet in a chance encounter. At once, they recognize in each other a kindred spirit—someone who is longing for more in life than the cards they ’ ve been dealt. Before their friendship can blossom, though, a tragic accident cuts their story short. They will meet again. But this is only one of the many connections they share. Like satellites trapped in orbit around each other, Thora and Santi will find each other again: as husband and wife; teacher and student; caretaker and patient; cynic and believer. In recurring lifetimes they become friends, partners, lovers, and enemies. Only they can make sure it ’ s not for the last time. As strange patterns and blurred memories compound, Thora and Santi come to a shocking revelation. They must work together to discover the true reason behind their repeating realities . . . before their many lives come to one, final end.

Objective Proficiency Second edition provides official preparation for the revised 2013 Cambridge English: Proficiency exam, also known as Certificate of Proficiency in English (CPE). A variety of challenging, lively topics provide thorough training in exam skills and high-level language development. Each unit contains three double-page lessons ensuring flexibility, even pacing and progress. This motivating material is also suitable for high-level students keen to improve their general English. The Workbook with answers provides opportunities for further practice of new language and exam skills either at home or in the classroom. The CD contains the audio material for the Workbook listening tasks.

**The Catholic Woman's Guide to Making and Keeping Fabulous, Faith-Filled Friends** HarperCollins

This comprehensive volume brings together international experts involved in applying and developing understanding of Working Memory in the context of a variety of neurodevelopmental disorders, neurocognitive disorders, and depressive disorders. Each chapter

provides a description of the disorder and investigates the Working Memory and related Executive Function deficits. It goes on to provide a neurological profile, before exploring the impact of the disorder in daily functions, the current debates related to this disorder, and the potential effects of medication and intervention. Through combining coverage of theoretical understanding, methods of assessment, and different evidence-based intervention programs, the book supports clinical assessment and management of poor Working Memory. It is essential reading for students in neurodevelopmental disorders, atypical development and developmental psychopathology as well as allied health professionals, clinicians and those working with children in education and healthcare settings.

Soon after Gwenda moved into her new home, oddthings started to happen. Despite her best efforts to modernize the house, she only succeeded in dredgingup its past. Worse, she felt an irrational sense ofterror every time she climbed the stairs. In fear, Gwenda turned to Miss Marple to exorciseher ghosts. Between them, they were to solve a "perfect" crime committed many years before.

**Into the Wild** Minotaur Books

R. Andrew Chesnut offers a fascinating portrayal of Santa Muerte, a skeleton saint whose cult has attracted millions of devotees over the past decade. Although condemned by

---

mainstream churches, this folk saint's supernatural powers appeal to millions of Latin Americans and immigrants in the U.S.

Devotees believe the Bony Lady (as she is affectionately called) to be the fastest and most effective miracle worker, and as such, her statuettes and paraphernalia now outsell those of the Virgin of Guadalupe and Saint Jude, two other giants of Mexican religiosity.

In particular, Chesnut shows Santa Muerte has become the patron saint of drug traffickers, playing an important role as protector of peddlers of crystal meth and marijuana; DEA agents and Mexican police often find her altars in the safe houses of drug smugglers.

Yet Saint Death plays other important roles: she is a supernatural healer, love doctor, money-maker, lawyer, and angel of death. She has become without doubt one of the most popular and powerful saints on both the Mexican and American religious landscapes.

Motivate and reward your students with the two highly acclaimed video series La Catrina and La Catrina: El ú litmo secreto.

Filmed in Mexico with outstanding Mexican actors, both videos follow the journey of Jamie Gonz á lez as she searches for the secrets of her mysterious great-grandmother. The two videos integrate language with culture as students build both Spanish proficiency while expanding their cultural understanding. Both video series feature video on VHS and DVD, video workbooks with separate Teacher's Editions, and a novel.

The Silent World of Nicholas Quinn Oxford University Press on Demand

Many language books are boring—this one is not. Written by a native English speaker who learned Spanish the hard way—by trying to talk to Spanish-speaking people—it offers English speakers with a basic knowledge of Spanish hundreds of tips for using the language more fluently and colloquially, with fewer obvious "gringo" errors. Writing with humor, common sense, and a minimum of jargon, Joseph Keenan covers everything from pronunciation, verb usage, and common grammatical mistakes to the subtleties of addressing other people, "trickster" words that look alike in both languages, inadvertent obscenities, and intentional swearing. He guides readers through the set phrases and idiomatic expressions that pepper the native speaker's conversation and provides a valuable introduction to the most

---

widely used Spanish slang. With this book, both students in school and adult learners who never want to see another classroom can rapidly improve their speaking ability. *Breaking Out of Beginner's Spanish* will be an essential aid in passing the supreme language test—communicating fluently with native speakers.

*Whisky, Warfare, and a Scottish Adventure Like No Other* Cambridge University Press

Latinos across the United States are redefining identities, pushing boundaries, and awakening politically in powerful and surprising ways. Many—Afrolatino, indigenous, Muslim, queer and undocumented, living in large cities and small towns—are voices who have been chronically overlooked in how the diverse population of almost sixty million Latinos in the U.S. has been represented. No longer. In this empowering cross-country travelogue, journalist and activist Paola Ramos embarks on a journey to find the communities of people defining the controversial term, “Latinx.” She introduces us to the indigenous Oaxacans who rebuilt the main street in a post-industrial town in upstate New York, the “Las Poderosas” who fight for reproductive rights in Texas, the musicians in Milwaukee whose beats reassure others of their belonging, as well as drag queens, environmental activists, farmworkers, and the migrants detained at our border. Drawing on intensive field research as well as her own personal story, Ramos chronicles how “Latinx” has given rise to a sense of collectivity and solidarity among Latinos unseen in this country for decades. A vital and inspiring work of reportage, *Finding Latinx* calls on all of us to expand our understanding of what it means to be Latino and what it means to be American. The first step towards change, writes Ramos, is for us to recognize who we are.

In the tradition of Eric Lott's award-winning *Love and Theft*, Hartman's new book shows how the violence of captivity and enslavement was embodied in many of the performance practices that grew from, and about, slave culture in antebellum America. Using tools from anthropology and history as well as literary criticism, she examines a wealth of material, including songs, dance, stories, diaries, narratives, and journals to provide new insights into a range of issues. She looks particularly at the presentations of slavery and blackness in minstrelsy, melodrama, and the sentimental novel; the disparity between actual slave culture and “managed” plantation amusements; the construction of slave culture in nineteenth-century ethnographic writing; the rhetorical performance of slave law and slave narratives; the dimension of slave performance practice; and the political consciousness of folklore. Particularly provocative is her analysis of the slave pen and auction block, which transmogrified terror into theatre, and her reading of the rhetoric of seduction in slavery law and legal cases concerning rape. Persuasively showing that the exercise of power is inseparable from its display, *Scenes of Subjection* will interest readers involved in a wide range of historical, literary, and cultural studies.

Horrid NYU Press

When children experience upheaval and trauma, adults often view them as either vulnerable and helpless or as resilient and able to easily “bounce back.” But the reality is far more complex for the children and youth whose lives are suddenly upended by disaster. How are children actually affected by catastrophic events and how do they cope with the damage and disruption? *Children of Katrina* offers one of the only long-term, multiyear studies of young people following disaster. Sociologists Alice Fothergill and Lori Peek spent seven years after Hurricane Katrina interviewing and observing several hundred children and their family members, friends, neighbors, teachers, and

---

other caregivers. In this book, they focus intimately on seven children between the ages of three and eighteen, selected because they exemplify the varied experiences of the larger group. They find that children followed three different post-disaster trajectories—declining, finding equilibrium, and fluctuating—as they tried to regain stability. The children's moving stories illuminate how a devastating disaster affects individual health and well-being, family situations, housing and neighborhood contexts, schooling, peer relationships, and extracurricular activities. This work also demonstrates how outcomes were often worse for children who were vulnerable and living in crisis before the storm. Fothergill and Peek clarify what kinds of assistance children need during emergency response and recovery periods, as well as the individual, familial, social, and structural factors that aid or hinder children in getting that support.

Living Memento Mori OUP Oxford

Emily M. DeArdo was diagnosed with cystic fibrosis at eleven, so she knows what it's like to live with a keen awareness of her own mortality. She draws on the medieval practice of memento mori, "remember you must die," and shares her personal story with unique and compelling insight into the meaning of Christian life and death. Using the Stations of the Cross as a framework, DeArdo leads you to trust in God's providence as you confront suffering and death and develop enduring spiritual strength and courage along the way. Sr. Theresa Aletheia Noble, F.S.P., kicked off a rediscovery of memento mori on social media when she began tweeting about #mementomori and what it's like living with a plastic skull on her desk.

Emily DeArdo said the practice caught on with millennials like her who are searching for what's real, true, and lasting in life. Trying to find the answer to "is this all there is?" often leads to thinking about death and what happens afterward, she noted. In Living Memento mori, DeArdo shares the insight she has gained from living her life on the precipice of death: a willingness to embrace the Cross of Christ can transform the pain and loss we all inevitably

experience into a source of spiritual growth. DeArdo shows you how even a life of considerable suffering can be full of joy, hope, and peace. DeArdo's life and reflections on mortality give a fresh voice to the traditional themes found in the Stations of the Cross. She offers you the courage to face your own suffering and concerns about death and to follow Jesus wherever he leads. You will discover: how memento mori can help you live a deeper spiritual life how to unite your sufferings with those of Jesus what the Catholic faith teaches about the meaning of suffering Station by station, DeArdo links her personal and spiritual journey to the suffering of Christ and shows readers how to do the same. Each chapter of Living Memento Mori begins with scripture, includes a quotation from Pope John Paul II's *Salvifici Doloris* (The Christian Meaning of Human Suffering), and closes with three questions for personal reflection or group discussion. An appendix provides readers with a guide to praying the Stations of the Cross with original meditations in the spirit of memento mori.

Life and Death in a Storm-ravaged Hospital Little, Brown Books for Young Readers

Paranormal investigator Zak Bagans has traveled all over the world, seeking answers to life's deepest and most terrifying mysteries. What happens when we die? Why do some spirits move on while others remain stuck in some sort of in-between place? What do the spirits really want from us? Zak has dedicated his life to finding out the truth. He has bought a demon house in Indiana that has been described as a "portal to hell," summoned the devil at the Hellfire Club in Ireland, and been attacked by a possessed doll in Mexico. But sometimes it's his interactions with the living that rattle him the most, from innocent people harboring evil spirits to crazed fans to the victims of violent spirit attacks. Through his investigations of the world's most haunted places, Zak has learned far more about the living and the dead than anyone should. He's been to the edge of death and back and come away with a spiritual key that unlocks doors to another world that few

---

have ever seen. Come along for the ride.
