The first volume of *Paths to Contemporary French Literature* offered a critical panorama of over fifty French writers and poets. With this second volume, John Taylor—an American writer and critic who has lived in France for the past thirty years—continues this ambitious and critically acclaimed project. Praised for his independence, curiosity, intimate knowledge of European literature, and his sharp reader's eye, John Taylor is a writer-critic who is naturally skeptical of literary fashions, overnight reputations, and readymade academic categories. Charting the paths that have lead to the most serious and stimulating contemporary French writing, he casts light on several neglected postwar French authors, all the while highlighting genuine mentors and invigorating newcomers. Some names (Patrick Chamoiseau, Pascal Quignard, Jean-Philippe Toussaint, Jean Rouaud, Francis Ponge, Aimé Césaire, Marguerite Yourcenar, J. M. G. Le Clézio) may be familiar to the discriminating and inquisitive American reader, but their work is incisively re-evaluated here. The book also includes a moving remembrance of Nathalie Sarraute, and an evocation of the author's meetings with Julien Gracq Other writers in this second volume are equally deserving authors whose work is highly respected by their peers in France yet little known in English-speaking countries. Taylor's pioneering elucidations in this respect are particularly valuable. This second volume also examines a number of non-French, originally non-French-speaking writers (such as Ghérasim Luca, Petr Král, Armen Lubin, Vénus Ghoura-Khata, Piotr Rawicz, as well as Samuel Beckett) who chose French as their literary idiom. Taylor is in a perfect position to understand their motivations, struggles, and goals. In a day

and age when so little is known in English-speaking countries about foreign literature, and when so little is translated, the two volumes of *Paths to Contemporary French Literature* are absorbing guides for literary scholars, writers, poets, students of French culture, and readers of contemporary fiction and poetry.

Among those he encounters on his way are a penniless painter who bears more than a striking resemblance to Van Gogh, a dishevelled wanderer who could only be Rimbaud, and finally a woman with skin the colour of honey.

An unsparingly truthful account of love, betrayal, and the traps we set for ourselves, by France's master of psychological suspense In work after work, the critically acclaimed author Emmanuel Carrère has trained his unblinking gaze on the lives of others as they fight a losing battle with that most fearsome of adversaries—the self. Now, determined to escape the bleak visions of his narratives, he takes on a film project in the heart of Russia while also embarking on a new love affair back home in Paris. But soon enough, the diversion he seeks eludes him, intimacy proves too arduous, and Carrère is left peering into the dark mirror of his own life. Set in Paris and Kotelnich, a small post-Soviet town, *My Life as a Russian Novel* traces Carrère's pursuit of two obsessions—the disappearance of his Russian

grandfather and his erotic fascination with a woman he loves but cannot keep from destroying. In prose that is elegant and passionate, Carrère weaves the strands of his story into a travelogue of a journey inward. Road trip, confession, erotic tour de force—this fearless reckoning illuminates the schemes we devise to evade ourselves and the inevitable payment they exact.

from Paris, but it feels like a different world. Doria's father, aka the Beard, has headed back to their hometown in Morocco, leaving her and her mom to cope with their mektoub, their destiny, alone. They have a little help—from a social worker sent by the city, a psychiatrist sent by the school, and a thug friend who recites Rimbaud. It seems like fate has dealt them an impossible hand, but Doria might still make a new life—"with bravado, humor, and a healthy dose of rage" (St. Petersburg Times). "[A] sassy, spunky tale . . . Doria has what it takes to storm any barricade." —The Hartford Courant "[Doria is] as likable as Holden Caulfield or Prep's Lee Fiora. Readers will cheer. Highly recommended." —Library Journal, starred review "A promising addition to the world's literary voices." —The Miami Herald "Moving and irreverent, sad and funny, full of rage and intelligence. La Première Gorgée de Bière Hal Leonard Corporation

Cet essai s'attache à cerner, au fil d'une analyse aussi fine qu'argumentée, les traits caractéristiques de l'œuvre de Philippe Delerm, auteur dont le succès ne se dément pas depuis la publication de *La Première Gorgée de bière et autres plaisirs minuscules* (Gallimard, 1997). Cette œuvre se fonde sur un nouvel art de vivre - et d'écrire -, articulé autour du quotidien, dont on peut repérer l'éclosion, en littérature, dans le courant des années 80 ; à cette époque, plusieurs auteurs, sans se connaître les uns les autres, ont entrepris presque simultanément des écritures nouvelles qui, malgré leur indépendance, se retrouvent aujourd'hui, avec le recul de l'exégèse, dans une sensibilité commune. C'est ainsi que l'on rencontre, à la croisée de cette "mouvance" littéraire révélée par le succès de Philippe Delerm, Christian Bobin, Colette Nys-Mazure, ou encore, Eric Holder et Jean Libis : chacun, à sa manière, se nourrit d'un quotidien dont l'écriture ne cesse d'interroger la validité d'une frontière entre le réel et la fiction. Chemin faisant, Rémi Bertrand dégage une certaine parenté qui unit ces œuvres d'inspirations pourtant diverses, et montre comment, par le pouvoir des mots, ces auteurs entreprennent de déployer le réel, révélant l'intensité de chaque instant vécu, dont ils dévoilent des significations nouvelles. Le "minimalisme positif" désigne cette fragmentation du réel et ce que celle-ci implique : une manière spécifique d'être au monde, consacrant le présent comme temps unique et le quotidien comme seul espace d'accomplissement possible. De *La Cinquième Saison* (1983) à *Enregistrements pirates* (2003), écriture, éthique et esthétique sont successivement approfondies afin d'éclairer au mieux les processus d'approche du quotidien mis en œuvre par Philippe Delerm et, conjointement, de discerner les contours du minimalisme positif.

A novel of a twentysomething, Algerian-born woman living on the edge in France, from "one of the hottest literary talents of multicultural Europe" (Sunday Telegraph). When Ahlème's mother was killed in a village massacre, she left Algeria for France with her father and brother and never returned. Now, more than a decade later, she is practically French, yet in many ways she remains an outsider. Ahlème's dreams for a better life have been displaced by the harsh realities she faces every day. Her father is unable to work after an accident at his construction site and her brother boils over with adolescent energy, teetering dangerously close to choosing a life of crime. As a temporary resident, Ahlème could at any moment be sent
