confession, and erotic tour de force – Emmanuel  
Carrère pursues two consuming obsessions: the  
disappearance of his grandfather amid suspicions  
that he was a Nazi collaborator in the Second

woman that he loves but which ends in destruction.  
Moving between Paris and Kotelnich, a grisly post-

travelogue of a journey inward, travelling fearlessly  
into the depths of his tortured psyche.

When a young Algerian named Meursault  
kills a man, his subsequent imprisonment  
and trial are puzzling and absurd. The  
apparently amoral Meursault--who puts  
little stock in ideas like love and God--seems  
to be on trial less for his murderous actions,  
and more for what the authorities believe is  
his deficient character.

Après, on fait glisser les boules d'un seul doigt. La dernière est si minuscule. Parfois, on a envie de la croquer. Ce n'est pas bon, un peu amer, mais frais comme la cuisine de onze heures, cuisine de l'eau froide, des légumes épluchés - tous, contre l'évier, quelques carottes nues brillent sur un torchon, finissent de sécher. Alors on parle à petits coups, et là aussi la musique des mots semble venir de l'intérieur, paisible, familière. On parle de travail, de projets, de fatigue - pas de psychologie".

Did possessing and killing amount to the same thing deep within the dark recesses of the human beast? *La Bête humaine* (1890), is one of Zola's most violent and explicit works. On one level a tale of murder, passion and possession, it is also a compassionate study of individuals derailed by atavistic forces beyond their control. Zola considered this his 'most finely worked' novel, and in it he powerfully evokes life at the end of the Second Empire in France, where society seemed to be hurtling into the future like the new locomotives and railways it was building. While expressing the hope that human nature evolves through education and gradually frees itself of the burden of inherited evil, he is constantly reminding us that under

the veneer of technological progress there remains, always, the beast within. This new translation captures Zola's fast-paced yet deliberately dispassionate style, while the introduction and detailed notes place the novel in its social, historical, and literary context.

Ever dreamed of strolling through a Dali print? Or stepping into a fairy tale? Open *A Man Jumps Out of an Airplane* and experience the rush of having reality yanked from underfoot. This is the book that put Barry Yourgrau on the literary map, where he remains as an icon of imaginative prowess. In *A Man Jumps Out of an Airplane*, Yourgrau focuses his wide-awake subconscious mind on well-trodden themes—fathers, mothers, lovers, sex, the imagination itself—and recasts them into madcap parables, surrealistic fables, and grotesque fantasies. Here are dreamscapes compressed into razor-sharp prose, where a twelve-inch girl lolls in her date's spaghetti, where a warrior steps out of the Iliad as an intruder in a backyard swimming pool, where a man climbs inside a cow on a bet. Hilarious, subversive, and uniquely entertaining, Yourgrau treats readers to a circus of surreal, impish beauty, poignant flashes of tragedy, and a headstand of everyday reality.

A “touching, furious, sharp, and very funny” novel of an immigrant teenage girl finding her own identity in France (Booklist). The *Paradise* projects are only a few metro stops from Paris, but it feels like a different world. Doria’s father, aka the Beard, has headed back to their hometown in Morocco, leaving her and her mom to cope with their mektoub, their destiny, alone. They have a little help—from a social worker sent by the city, a psychiatrist sent by the school, and a thug friend who recites Rimbaud. It seems like fate has dealt them an impossible hand, but Doria might still make a new life—“with bravado, humor, and a healthy dose of rage” (St. Petersburg Times). “[A] sassy, spunky tale . . . Doria has what it takes to storm any barricade.” —The Hartford Courant  
“[Doria is] as likable as Holden Caulfield or Prep’s Lee Fiora. Readers will cheer. Highly recommended.” —Library Journal, starred review “A promising addition to the world’s literary voices.” —The Miami Herald “Moving and irreverent, sad and funny, full of rage and intelligence. Her voice is fresh, and her book a delight.” —Laila Lalami, bestselling author of *The Moor’s Account*

The first volume of *Paths to Contemporary French Literature* offered a critical panorama of over fifty French writers and poets. With this second volume, John Taylor—an American writer and critic who has lived in France for the past thirty years—continues this ambitious and critically acclaimed project. Praised for his independence, curiosity, intimate knowledge of European literature, and his sharp reader’s eye, John Taylor is a writer-critic who is naturally skeptical of literary fashions, overnight reputations, and readymade academic categories. Charting the paths that have led to the most serious and stimulating contemporary French writing, he casts

light on several neglected postwar French authors, all the while highlighting genuine mentors and invigorating newcomers. Some names (Patrick Chamoiseau, Pascal Quignard, Jean-Philippe Toussaint, Jean Rouaud, Francis Ponge, Aimé Césaire, Marguerite Yourcenar, J. M. G. Le Clézio) may be familiar to the discriminating and inquisitive American reader, but their work is incisively re-evaluated here. The book also includes a moving remembrance of Nathalie Sarraute, and an evocation of the author's meetings with Julien Gracq. Other writers in this second volume are equally deserving authors whose work is highly respected by their peers in France yet little known in English-speaking countries. Taylor's pioneering elucidations in this respect are particularly valuable. This second volume also examines a number of non-French, originally non-French-speaking writers (such as Ghérasim Luca, Petr Král, Armen Lubin, Vé nus Ghoura-Khata, Piotr Rawicz, as well as Samuel Beckett) who chose French as their literary idiom. Taylor is in a perfect position to understand their motivations, struggles, and goals. In a day and age when so little is known in English-speaking countries about foreign literature, and when so little is translated, the two volumes of *Paths to Contemporary French Literature* are absorbing guides for literary scholars, writers, poets, students of French culture, and readers of contemporary fiction and poetry.

Giovanna's pretty face is changing, turning ugly, at least so her father thinks. Giovanna, he says, looks more like her Aunt Vittoria every day. But can it be true? Is she really changing? Is she turning into her Aunt Vittoria, a woman she hardly knows but whom her mother and father clearly despise? Surely there is a mirror somewhere in which she can see herself as she truly is. Giovanna is searching for her reflection in two kindred cities that fear and detest one another: Naples of the heights, which assumes a mask of refinement, and Naples of the depths, a place of excess and vulgarity. She moves from one to the other in search of the truth, but neither city seems to offer answers or escape.
