'As a writer, Carr è re is straight berserk' Junot D í az In this non-fiction novel - road trip, confession, and erotic tour de force - Emmanuel Carr è re pursues two consuming obsessions: the disappearance of his grandfather amid suspicions that he was a Nazi collaborator in the Second World War; and a violently passionate affair with a woman that he loves but which ends in destruction. Moving between Paris and Kotelnich, a grisly post-Soviet town, Carr è re weaves his story into a

travelogue of a journey inward, travelling fearlessly into the depths of his tortured psyche.

Letters From Father Christmas Penguin

Il y avait quelque chose dans l'air, ce matin-là. Ça ne s'explique pas. Ça vient deux fois par an, peut-être, au début du printemps souvent, et quelquefois à la fin de l'automne. Le ciel d'avril était léger, un peu laiteux, rien d'extraordinaire. Les marronniers ne déployaient qu'avec parcimonie leurs premières feuilles sucrées. Mais elle l'avait senti dès les premiers pas sur le trottoir, avant même d'enfourcher sa bicyclette. Une allégresse. Pas le jaillissement de la joie, pas le battement de cœur toujours un peu anxieux du bonheur.

The Death of French Culture National Geographic Books
The first book in the Warped Galaxies series. An exciting new series of sci-fi books for middle-grade readers from Black Library. Brave champions and the forces of the Imperium battle alien beasts and mechanical tyrants accross the gulf of space. On the hive world of Targian, Zelia Lor helps her mother search for ancient tech, digging up treasures of the past on the wind-blown plains. They are happy. They are safe. All that changes when the Necrons attack. Without warning, a host of robotic ships appear in the skies above Targian and rip the planet apart. Separated from her mother, Zelia must escape the doomed world, her only hope a scrambled transmission promising safety at a mysterious place known only as the Emperor ' s Seat. Launched in an escape pod,

she crashes on an icy wasteland far, far from home. But Zelia is not alone. She is joined by a rag-tag group of survivors – the street-tough juve Talen, gadget-obsessed Martian boy Mekki and super-intelligent alien-ape, Fleapit.

In fluid prose, Julien Gracq navigates-in memory-the magical Evre and the terrain through which it coursed in his youth. "The Narrow Waters" is a synaptic meditation on Beginning and Ending whose inquiries and visions flow, and sometimes cascade, **The Revenge Plan** University of Michigan Press

A novel of love, friendship, and self-reinvention: "I can't remember the last time I was so enchanted . . . zany, surprising, full of twists and turns" (Ann Hood, author of *The Knitting Circle* and *Something Blue*). A translator of Icelandic, the unnamed young woman who narrates *Butterflies in November* is perhaps more at home in the world of language than the actual world. After a day of being dumped—twice—and accidentally killing a goose, she yearns to escape from the chaos of her life. Instead, her best friend's four-year-old

deaf-mute son is unexpectedly left in her care. But when the boy chooses the winning numbers for a lottery ticket, the two set off from Reykjavik along Iceland's Ring Road on a journey of discovery. Along the way, they encounter black sand beaches, cucumber farms, lava fields, flocks of sheep, an Estonian choir, a falconer, a hitchhiker, and both of her exes desperate for another chance. What begins as a spontaneous adventure will unexpectedly and profoundly change the way she views her past and charts her future. Longlisted for the Independent Foreign Fiction Prize.

For a long time, France and its culture have been one and the same. However, of this past glory, all that is left today is navel-gazing, nostalgia and timidity. Covering art, fashion, philosophy, literature and cinema, Donald Morrison argues that French culture no longer has the kind of international standing it once did.

Other Lives But Mine

LGF/Le Livre de Poche
First published in France in 1943 and translated for English-speaking readers in 1961, *Le Corbusier Talks with Students* presents advice and commentary from the master of modernism for young architects-to-be. In chapters ranging from "Disorder" to "The Construction of Dwellings" to "A Research Workshop," Le Corbusier discusses his views on architectural history and offers

opinions on the future of the profession, while touching on his own projects for the Villa Savoye, the Cité Universitaire, and the Radiant City. Topics such as architecture's role in our directionless society; the balance between spiritual values and technical factors; and the importance of space, proportion, and color are explored by this renowned architect, and still resonate today, almost 50 years later. Our reprint of this classic text is a facsimile of the 1961 edition, now available as an affordable paperback.

After I caught my boyfriend cheating, I tried to be mature

about it with an amicable split. But he took his retaliation too far, and I have officially had enough. No more Miss Nice Haven. No one is allowed to lie to me, betray, embarrass, and devastate me, fill me with self-doubt, or put my future at risk, and expect to get away with it. He is going to feel my wrath. Enter Wick Webster, his archenemy.

Nothing would provoke me more than to see me moving on with the one guy he hates most, so that's exactly what I plan to do.

The only hitch in my brilliant scheme is Wick himself.

He's just gotta be all love-not-war and peace-is-the-only-way. He's more concerned about helping me heal than seeking my sweet revenge. And what the hell is it about his soothing presence and yummy looks that calls to me until I forget how much pain I'm in? He's making it awfully hard to use and abuse him for my malicious means. The damn guy is making me fall for him.

My Life As a Russian Novel Grove/Atlantic, Inc.

The first volume of *Paths to Contemporary French Literature* offered a critical panorama of over fifty French writers and poets. With this second volume, John Taylor—an American writer and critic who has lived in France for the past thirty years—continues this ambitious and critically acclaimed project. Praised for his independence, curiosity, intimate knowledge of European literature, and his sharp reader's eye, John Taylor is a writer-critic who is naturally skeptical of literary fashions, overnight reputations, and readymade academic categories. Charting the paths that have led to the most serious and stimulating contemporary French writing, he casts light on several neglected postwar French authors, all the while highlighting genuine mentors and invigorating newcomers. Some names (Patrick Chamoiseau, Pascal Quignard, Jean-Philippe Toussaint, Jean Rouaud, Francis Ponge, Aimé Césaire, Marguerite Yourcenar, J. M. G. Le Clézio) may be familiar to the discriminating and inquisitive American reader, but their work is incisively re-evaluated here. The book also includes a moving remembrance of

Nathalie Sarraute, and an evocation of the author's meetings with Julien Gracq. Other writers in this second volume are equally deserving authors whose work is highly respected by their peers in France yet little known in English-speaking countries. Taylor's pioneering elucidations in this respect are particularly valuable. This second volume also examines a number of non-French, originally non-French-speaking writers (such as Ghérasim Luca, Petr Král, Armen Lubin, Vénus Ghoura-Khata, Piotr Rawicz, as well as Samuel Beckett) who chose French as their literary idiom. Taylor is in a perfect position to understand their motivations, struggles, and goals. In a day and age when so little is known in English-speaking countries about foreign literature, and when so little is translated, the two volumes of *Paths to Contemporary French Literature* are absorbing guides for literary scholars, writers, poets, students of French culture, and readers of contemporary fiction and poetry.

La Bête humaine Random House

Taxi drivers, street sweepers, a bouquiniste, unsuccessful prostitutes, a menaced bicycle rider, noisy children, an old woman shunted aside in a crowd, and some disgruntled animals at the zoo populate

these poems. Unreeling like a series of clips recorded during a stroll through Paris, the book is wickedly funny, but it is also a bittersweet meditation on how "the river of forgetfulness carries away the city." This is the poet's love letter to Paris--a Paris that is always in the process of becoming superannuated. Rachel Galvin's lively, idiomatic version is the first complete translation available in English.

This book is a comprehensive exploration of 90 years of film and television adaptations of the world's best-selling novelist's work. Drawing on extensive archival material, it offers new information regarding both the well-known and forgotten screen adaptations of Agatha Christie's stories, including unmade and rare adaptations, some of which have been unseen for more than half a century. This history offers intriguing insights into the discussions and debates that surrounded many of these screen projects – something that is brought to life through previously unpublished correspondence from Christie herself and a new wide-ranging interview with her grandson, Mathew Prichard. Agatha Christie on

Screen takes the reader on a journey from little known silent film adaptations, through to famous screen productions including 1974's *Murder on the Orient Express*, as well as the television series of the Poirot and Miss Marple stories and, most recently, the BBC's acclaimed version of *And Then There Were None*.

The Framework of Language

Weidenfeld & Nicolson

The Immortals is set in an infamous neighborhood of Port-au-Prince, on Grand-Rue, where many women, young and old, trade in flesh, sex, and desire. We learn, in glimpses and fragments, about the lives of women who fall in love with the moving images of television, the romance of a novel, and the dreams of escape. This moving novel asks, What becomes of these women, their lives, their stories, their desires, and their whims when a violent earthquake brings the capital city and its brothels to their knees? To preserve the memory of women she lived and worked with, the anonymous narrator makes a deal with her client once she discovers that he is a writer: sex in exchange for recording the stories of the friends who were buried beneath the rubble. She tells the stories of women who were friends, lovers, daughters, and mothers—all while their profession sought to hide any trace of intimacy or interiority through pseudonyms and artifice. Ultimately the book reveals how a group of women sought to make a name for themselves in life,

demanding that they not be forgotten in death. Winner of France's 2012 Prix Thyde Monnier de la Société des Gens de Lettres, *The Immortals* is the first work of fiction by the celebrated Haitian writer Makenzy Orcel. Mingling poetry and prose, Orcel centers stories that too often go untold, while reflecting on the power and limits of storytelling in the face of catastrophe.

The Narrow Waters Polity

A number-one bestseller in France: A charming meditation on the pleasures of life, from shelling peas to reading on the beach. "A tiny breeze of delirious wisdom which changes everything and nothing... We could almost eat outside." An enchanting valentine to the everyday delights life has to offer, this short book captured the imagination of the French public last year and became a number-one bestseller. Sales are now over 600,000 copies. In each brief chapter the author contemplates the seemingly ordinary experiences that add joy to life, whether it's the first sip of beer, the snowstorm inside a paperweight, reading an Agatha Christie novel, or the smell of apples. At once uniquely French and yet universal, told with a lively, almost childlike curiosity, this charming book reminds us to enjoy and appreciate

the small things that make life worthwhile.

Her connection with the Waganga people has brought her the great love of her life, and freedom beyond her dreams. Yet she carries with her a painful secret. Now, the time has come for her to tell her story – to finally set Kate free. The international bestseller that has captured hearts the world over. "This most moving book, whose every breath is a love-song for Africa and her people, is a faultlessly woven cloth." LE MONDE (FRANCE) 'One to keep you reading late into the night.' WEST AUSTRALIAN 'Beautifully written, lively and sympathetic... an adventurous and highly entertaining read.' BOOKSHOW (GERMANY)

The Dream Linda Kage

The Tenacity of the Couple-Norm explores the ongoing strength and insidious grip of couple-normativity across changing landscapes of law, policy and everyday life in four contrasting national contexts: the UK, Bulgaria, Norway and Portugal. By investigating how the couple-norm is lived and experienced, how it has changed over time, and how it varies between places and social groups, this book provides a detailed analysis of changing intimate citizenship regimes in Europe, and makes a major intervention in understandings of the contemporary condition of personal life. The authors develop the feminist concept of 'intimate citizenship' and propose the new concept of 'intimate citizenship regime', offering a study of intimate citizenship regimes as normative systems that have been undergoing profound change in recent decades. Against the backdrop of processes of de-patriarchalization, liberalization, pluralization and homonormalization, the ongoing potency of the couple-norm becomes ever clearer.
